## Welcome to Alameda Alliance for Health

Alameda Alliance for Health (Alliance) welcomes you to our health plan. We are now your partner in health. This Provider Directory is a tool that will help you find the right doctor, also known as health care provider or primary care provider (PCP). These providers have agreed to work with the Alliance to give you quality health care. The first thing you need to do is select a PCP. Your PCP is your gateway to most all other types of medical services. You need to pick your providers from this list. Please read the information inside so you will know who can provide health care services to you. For access to specialty services, a referral from your PCP or approval from the Alliance may be required. See your Evidence of Coverage (EOC) for information about your covered benefits.

**Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception, and sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor or clinic, medical group, independent practice association, or call Alameda Alliance for Health at 510.747.4567 to ensure that you can obtain the health care services that you need.**

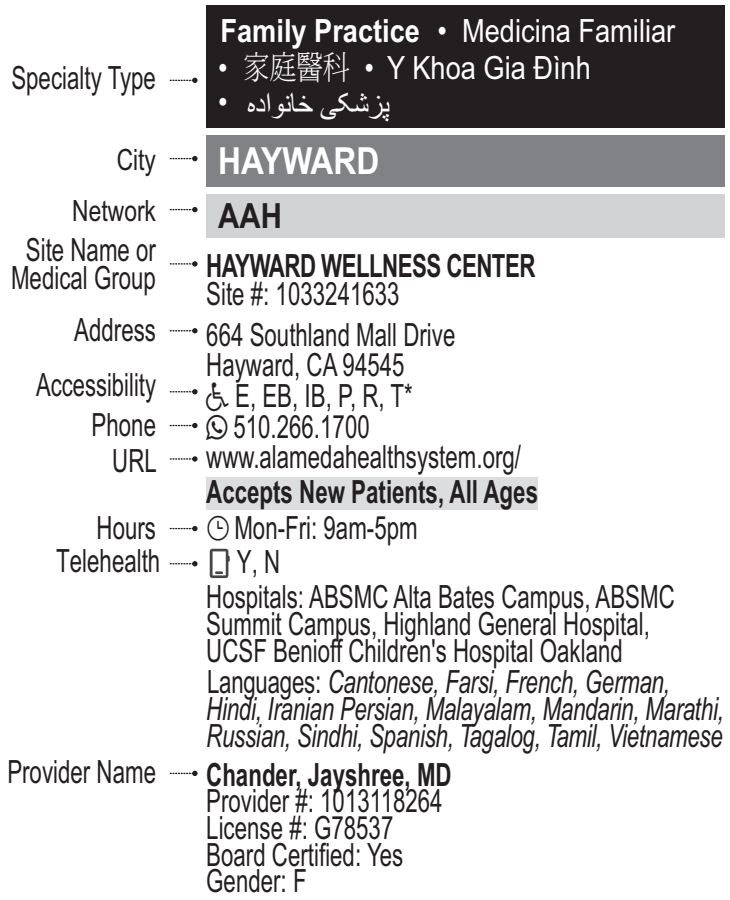
## How to Use the Provider Directory

1. **Decide what type of provider you need.** This booklet is divided into sections for each type of provider listed below.
   - Alliance Provider Partners
     - Behavioral Health Services
     - Laboratory Services
     - Vision Services
     - Telehealth Services
   - Primary Care Providers (PCPs)
   - Specialty Care Providers (SCPs)
   - Mid-Level Providers (MLPs)
   - Outpatient Behavioral Health Care Providers
   - Other Services Providers (Such as Enhanced Care Management (ECM) and Community Supports (CS) require prior authorization and are limited to members who meet specific eligibility criteria).

   Look in the section that lists the type of provider you need. If you do not know what the "type" of provider does, look at the "Definitions" on page 27.

2. **Check the "Table of Contents" for the page number where you can find the type of providers you need.**

3. **Go to that page and look through the entries.** Each provider has one entry or more in the list. This shows what is in each entry. ➔



Each PCP entry is arranged by type of specialty, by city, and then network. Here is a list of the types of Primary Care Doctors you can choose from:

- Family and General Practice doctors can see any member of any age.
- Internal Medicine Doctors see only adults and children over the age of 14 years.
- Pediatrics/Pediatricians see newborns, babies, children, and teens up to the age of 18 or 21 years.
- Obstetrics/Gynecology – see women and specialize in women's health and maternity care.

You see the PCP's name, arranged alphabetically, the office or clinic name of where they see patients, and network affiliation. Some providers are linked to certain groups of doctors and/or clinics. If you see a PCP that is linked with a network, it may mean that you stay within that network to see a specialist or get other types of care. Networks that partner with the Alliance include:

- Alameda Alliance for Health (AAH) is a group of doctors and clinics directly contracted with the Alliance.
- Children's First Medical Group (CFMG) is a group of Pediatricians.
- Community Health Care Network (CHCN) is a group of clinics with all types of doctors.

In addition to the provider's address, and phone number, you will also find:

| | |
|---|---|
| **PCP #** | The PCP # is a National Provider Identifier. Each provider has a number. This is the number to use when choosing your PCP on forms you may be asked to fill out. |
| **Practice Limits** | A practice or clinic may have limits in accepting new patients. |
| **Hours** | The days and hours the office is open. |
| **Hospital Affiliation** | The name of the hospital where the provider admits hospitalized patients. |
| **Board Certification** | "Yes" means that a provider finished extra training in an area of medicine and passed national exams. A "No" means that the provider chose not to go through the extra training and exams or has not completed the process. |
| **Language** | The languages the office and/or provider speak other than English. We prefer that you not use family or friends to interpret for you, as their most important role is to be a family member or friend to you, not an interpreter. If you choose a provider who cannot speak your language, the Alliance offers free interpretation services. Please call us at 510.747.4567 (CRS/TTY: 711 or 1.800.735.2929). In order to help provide you with the best service, please call as soon as you make your appointment with your doctor. |
| **Physical Access Information** | #4 below explains physical access information. |
| **Telehealth** | "Y" means Yes that the provider offers Telehealth and "N" means No that the provider does not offer Telehealth. |

4. **Look for this symbol if you need physical accessibility information about a provider office:** ♿
   The Alliance complies with Section 506 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. The Alliance will not deny its programs or benefits to members who qualify as disabled because of their disability. Nor will members be treated with unfair bias based on their disability. We make every effort to ensure that our offices and the offices of our providers are easy for people with a disability to enter.

   This directory includes disability access information for Alliance providers. If you want to check on the accessibility information of a location, please call the provider office to ask if they can meet your needs. You may also call Alliance Member Services at 510.747.4567 or toll-free at 1.877.932.2738 (CRS/TTY: 711, or 1.800.735.2929).

**Three Levels of Accessibility for Members with Needs:**

- **Basic Access** – Means the location is accessible for members with disabilities for parking, building, elevator, doctor's office, exam room and restroom. Provider offices with Basic Access are shown in the directory with all five of the following disability access codes: **P**, **EB**, **IB**, **R**, and **E**. These codes are defined in the chart on the following page.
- **Limited Access** – Means the location is missing or is incomplete in access to parking, building, elevator, doctor's office, exam room, and/or restroom. Provider offices with Limited Access are missing one or more of the six symbols (**P**, **EB**, **IB**, **R**, **E**, and **T**).

- **Medical Equipment Access** – Means that in addition to **Basic** or **Limited Access**, the provider has accessible weight scales (for wheel chair/scooter plus patient). Providers with Medical Equipment Access are shown with the **T** disability access code. The **T** and other disability access code is defined in the chart on the following page.

| *Accessibility Code & Definition Table |
|---|
| **P = Parking**<br>Parking spaces for cars and vans are accessible. Pathways have curb ramps between the parking lot, office, and at drop off places. |
| **EB = Exterior Building**<br>Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter user. Handrails are on both sides of the ramp. There is an accessible entrance to the building. Doors open wide enough to let a wheelchair or scooter user enter. Doors have handles that are easy to use. |
| **IB = Interior Building**<br>Doors open wide enough to let a wheelchair or scooter user enter. Doors have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. If there is a platform lift, it can be used without help. If there is an elevator:<br>• The public and patients can use it at all times the building is open.<br>• It has easy-to-hear sounds and Braille buttons within reach.<br>• It has enough room for a wheelchair or scooter to turn around. |
| **R = Restroom**<br>The restroom is accessible and the doors open wide enough to allow a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter user to turn around and close the door. There are grab bars that allow easy transfer from wheelchair to toilet. The sink is easy to get to and the faucets, soap, and toilet paper are easy to reach and use. |
| **E = Exam Room**<br>The entrance to the exam room is accessible, with a clear path. The doors open wide enough to allow a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around. |
| **T = Exam Table/Scale**<br>The exam table moves up and down and the scale is accessible with handrails to assist people with wheelchairs. |

Please note that the accessibility of a location may change. **We suggest that you contact a provider office to confirm that it can meet your physical needs.**

Cada entrada de un PCP se organiza por el tipo de especialidad, ciudad y luego por la red de proveedores a la cual pertenece. Ésta es una lista de los tipos de médicos de cabecera entre los que puede elegir:

- Los médicos generales y los de medicina familiar pueden ver a cualquier miembro de cualquier edad.
- Los médicos de medicina interna sólo ven adultos y niños de más de 14 años.
- Los pediatras ven a los recién nacidos, a los bebés y a los niños y adolescentes hasta la edad de 18 o 21 años.
- Obstetricia/Ginecología: los ginecólogos y obstetras se ocupan de las mujeres y se especializan en el cuidado de su salud y de la maternidad.

Usted localiza el nombre del PCP, en orden alfabético, el nombre del consultorio o de la clínica en la que ve a los pacientes y su afiliación con la red. Algunos proveedores están vinculados a ciertos grupos de médicos o clínicas. Si usted es atendido por un PCP que está vinculado a una red, es posible que esto signifique que usted permanece dentro de esa red para consultar a un especialista o para obtener otros tipos de atención. Las redes asociadas con Alliance incluyen:

- Alameda Alliance for Health (AAH) es un grupo de médicos y clínicas contratado directamente por Alliance.
- Children's First Medical Group (CFMG) es un grupo de pediatras.
- Community Health Care Network (CHCN) es un grupo de clínicas con todo tipo de médicos.

Además de la dirección del proveedor y del número de teléfono, también encontrará:

| | |
|---|---|
| **PCP #** | El número de PCP es la Identificación Nacional del Proveedor. Todos los proveedores tienen un número. Éste es el número que usted deberá usar cuando elija a su PCP en formularios que se le pida llenar. |
| **Límites del consultorio** | Es posible que un consultorio o clínica tengan límites para aceptar nuevos pacientes. |
| **Horario** | Los días y horarios en los que el consultorio está abierto. |
| **Afiliación del hospital** | El nombre del hospital en el que el proveedor admite pacientes hospitalizados. |
| **Certificación de la Junta** | "Sí" significa que un proveedor completó una capacitación adicional en un área de la medicina y aprobó los exámenes nacionales. "No" significa que el proveedor decidió no realizar la capacitación adicional ni los exámenes o que no ha terminado el proceso. |
| **Idioma** | Los idiomas que se hablan en la oficina del proveedor además del inglés. Preferimos que use un intérprete certificado y no a un miembro de su familia o amigo. Si elige a un proveedor que no habla su idioma, Alameda Alliance ofrece servicios de interpretación sin costo. Con el fin de proporcionarle el mejor servicio, llámenos al 510.747.4567 (CRS/TTY: 711 or 1.800.735.2929) tan pronto haya hecho su cita con su proveedor. |
| **Información de acceso físico** | El n.º 4 a continuación explica la información de acceso físico. |
| **Telesalud** | "Y" significa que el proveedor ofrece servicios de telesalud y "N" significa que el proveedor no ofrece servicios de telesalud. |

4. **Busque este símbolo si necesita información sobre la accesibilidad física en el consultorio de un proveedor:** ♿

   Alliance cumple con la sección 506 de la Ley de Rehabilitación de 1973 y la Ley de Estadounidenses con Discapacidades (Americans with Disabilities Act, ADA) de 1990. Alliance no negará sus programas o beneficios a los miembros que reúnan los requisitos para considerarse discapacitados debido a su discapacidad. Tampoco se tratará de forma injusta a los miembros con base en su discapacidad. Nos esforzamos por garantizar que nuestras oficinas y los consultorios de nuestros proveedores cuenten con entradas de fácil acceso para las personas que tengan alguna discapacidad.

   Este directorio incluye información sobre el acceso para discapacitados para los proveedores de Alliance. Si desea revisar la información de accesibilidad de una ubicación, llame al consultorio del proveedor para preguntar si pueden cubrir sus necesidades. También puede llamar a Servicios al Miembro al 510.747.4567 o a la línea gratuita 1.877.932.2738 (CRS/TTY: 711 o 1.800.735.2929).

**Tres niveles de acceso para los miembros con discapacidades:**

- **Acceso básico:** significa que la ubicación tiene acceso para miembros con discapacidades en el estacionamiento, el edificio, el ascensor, el consultorio médico, la sala de exámenes y el baño. Las oficinas de proveedores con acceso básico aparecen en el directorio con los siguientes cinco códigos de acceso para discapacitados: **P**, **EB**, **IB**, **R** y **E**. Estos códigos están definidos en el cuadro en la siguiente página.
- **Acceso limitado:** significa que la ubicación no tiene acceso, o le falta alguno, al estacionamiento, el edificio, el ascensor, el consultorio médico, la sala de exámenes o el baño. A los consultorios de proveedores con acceso limitado les falta uno o más de los seis símbolos (**P**, **EB**, **IB**, **R**, **E**, y **T**).

- **Acceso al equipo médico:** significa que, además del acceso **básico** o **limitado**, el proveedor tiene básculas accesibles (para silla de ruedas/silla de ruedas motorizada más el paciente). Los proveedores con acceso al equipo médico se muestran con el código **T** de acceso para discapacitados. El código **T** y otros códigos de acceso para discapacitados están definidos en el cuadro de la página siguiente.

## Tips on Choosing Your Regular Doctor

This section lists all of the Primary Care Providers (PCPs) in the Alliance. They are listed by the city where they have an office. A PCP is your "regular doctor." It is through your PCP that you get a specialist, medications and other medical services. Each person in your family who joins the Alliance should have his/her own PCP. Call your PCP first for all your health care needs. If you need special kinds of care, he/she will help you find other health care providers. Having a PCP is important. It can be hard if you do not have a doctor who knows your health.

A PCP is a provider who is licensed to practice medicine and may be a Pediatrician, General Practitioner, Family Practitioner, Internist, Obstetrician/Gynecologist (OB-GYN). A Nurse Practitioner or Physician Assistant works under the supervision and guidance of a PCP within the office or clinic setting. All PCPs must be contracted with the Alliance or work for a clinic/office that is contracted with the Alliance.

Your PCP will be listed on your Alliance ID card.

- **If your card reads Primary Care: PLEASE CHOOSE A DOCTOR**
  - Please call us at 510.747.4567 or 1.877.932.2738 to choose an Alliance doctor within 30 days.
  - After you tell us the doctor you want, we will send you a new ID card showing the one you chose.
- **If your card reads Primary Care: PCP NOT REQUIRED**
  - You do not need to choose an Alliance Medi-Cal doctor if you have Original Medicare or Medicare with a different health plan. You may choose one if you want to.

**Tips On Choosing Your PCP**

- If you already have a PCP you like, check for his/her name in the index.
- Consider what area is best for you. The PCPs are listed by city. Also, look at the address to see if you can get there by car, bus, or BART. Is it close to home, work, or school?
- Does the PCP or office staff speak your language? Do they know your culture? Our network has providers that speak over 30 languages and dialects. You should be able to find a provider who can meet your language needs.
- It is OK to call the PCP's office to ask questions.
  - Ask what the office hours are.
  - Ask how long it takes to get an appointment.
  - Ask if the PCP has experience in treating the medical problem you have.
- Ask your friends or relatives for some names.
- You can also call us at 510.747.4567 or 1.877.932.2738.

If you do not choose your own PCP, we will choose one for you. We will try to match you with a PCP who will meet your needs.

**Changing PCPs**

Sometimes you may need to change your PCP.

If you need to change PCPs, please call Alliance Member Services at 510.747.4567 or 1.877.932.2738. People with hearing and speaking impairments (CRS/TTY): 711/1.800.735.2929. The change will usually take effect on the first day of the next month.

When you change PCPs, we will send you a new Alliance Member ID Card in the mail. Your new card will have the name and phone number of your new PCP on it. It will also have the date that your PCP change will take effect.

**Check-Ups**

Regular check-ups are important for good health. You should call your PCP for a check-up within 3 months after you join the Alliance.

## Consejos para elegir a su médico regular

Esta sección enumera a todos los médicos de cabecera (PCP) de Alliance. Se enumeran según la ciudad en donde tienen consultorio. Un médico de cabecera es su "médico regular". Es mediante su PCP que usted tiene acceso a un especialista, medicamentos y otros servicios médicos. Cada persona de su familia que se una a Alliance, debe tener su propio médico de cabecera. Llame primero a su médico de cabecera para consultar todas sus necesidades de atención médica. Si necesita tipos especiales de atención, él o ella lo ayudará a encontrar otros proveedores de atención médica. Tener un médico de cabecera es importante. Puede ser difícil si no tiene un médico que conozca su salud.

Un médico de cabecera es un proveedor autorizado para practicar medicina y puede ser un pediatra, un profesional de medicina general, un profesional de medicina familiar, un internista, un gineco-obstetra (OB/GYN). Una enfermera profesional con práctica médica o asistente médico trabaja bajo la supervisión y la guía de un PCP dentro del ambiente del consultorio o de la clínica. Todos los médicos de cabecera deben tener un contrato con Alliance o trabajar para una clínica/consultorio que tenga un contrato con Alliance.

Su PCP se encontrará en su tarjeta de identificación Alliance.

- **Si su tarjeta dice Primary Care: PLEASE CHOOSE A DOCTOR (Atención primaria: elija un médico)**
  - Llámenos al 510.747.4567 o al 877.932.2738 para elegir un médico de Alliance en un plazo de 30 días.
  - Después de comunicarnos qué médico prefiere, le enviaremos una nueva tarjeta de identificación en la que aparezca su elección.
- **Si su tarjeta dice PCP not required (No se requiere un médico de cabecera)**
  - No es necesario que elija un médico de Alliance Medi-Cal si tiene Medicare Original o Medicare con un plan de salud diferente. Puede elegir uno si así lo desea.

**Consejos para elegir a su médico de cabecera**

- Si ya tiene un médico de cabecera que le gusta, verifique que su nombre se encuentre en el índice.
- Considere qué área es mejor para usted. Los médicos de cabecera están agrupados por ciudad. Además, busque la dirección para ver si puede llegar en coche, autobús o en el Transporte Rápido del Área de la Bahía (Bay Area Rapid Transit, BART). ¿Está cerca del trabajo, la casa o la escuela?
- ¿El médico de cabecera o el personal del consultorio su idioma? ¿Conocen su cultura? Nuestra red cuenta con proveedores que hablan más de 30 idiomas y dialectos. Debe poder encontrar un proveedor que cubra sus necesidades lingüísticas.
- Está bien llamar al consultorio del médico de cabecera para hacer preguntas.
  - Pregunte cuál es el horario de atención.
  - Pregunte cuánto toma conseguir una cita.
  - Pregunte si el médico de cabecera tiene experiencia en el tratamiento del problema médico que usted tiene.
- Pida nombres a sus amigos o parientes.
- También puede llamarnos al 510.747.4567 o al 1.877.932.2738.

Si no elige a su médico de cabecera, nosotros elegiremos uno por usted. Trataremos de elegir a un médico de cabecera que pueda satisfacer sus necesidades.

## 選擇主診醫生的訣竅

本部分列出了Alliance所有的主要醫療保健服務提供者(PCP)。他們是以診所所在城市的順序而排列的。PCP是您的「主診醫生」。您透過您的PCP獲取專科醫生、藥物及其他醫療服務。您家中加入Alliance的每一位成員都應該有他/她自己的主診醫生(PCP)。對您所有的健康醫療需求，請先致電您的PCP。如果您需要特殊類型的護理，他或她將幫助您找到其他醫療保健服務提供者。擁有一位PCP很重要。如果沒有一位瞭解您病情的醫生，對您的保健來說是很困難的。

PCP指持照的醫療保健服務提供者，可以是同意成為PCP的兒科醫生、全科醫生、家庭醫生、內科醫生、產科醫生/婦科醫生(OB-GYN)。職業護士或醫師助理在PCP監督和指導下載辦公室或診所工作。所有的PCP必須和Alliance簽訂合約或其工作的診所/辦公室須和Alliance簽訂合約。

- 如果您的計畫成員證上顯示「主要護理」(Primary Care)： 不須PCP
  - 若您享有Original Medicare或經由不同的健康保險計畫使用Medicare，您不須選擇一位Alliance Medi-Cal醫生。如果您願意，您也可以選擇一位。

**選擇PCP的竅門**

- 如果您已經有了一位喜歡的PCP，請在索引中查詢他或她的姓名。
- 考慮哪個區域對您是最有利的。PCP是按照城市順序排列的。同時也請查看一下所在地址，是否可以開車、乘巴士或BART到達。那裏是否離您家、工作地點或學校近？
- PCP 或工作人員與您是否講同一種語言？他們瞭解您的文化背景嗎？我們的服務網絡有可以提供 30多種語言及方言服務的服務提供者。您應該可以找到一位符合您語言需要的服務提供者。
- 您可以致電PCP診所提出詢問
  - 詢問辦公時間。
  - 詢問預約需要多長時間。
  - 詢問這位PCP是否具有您所患疾病的治療經驗。
- 可以從您的朋友或親戚那裏打聽到某些服務提供者的姓名。
- 您也可以撥打510.747.4567要么1.877.932.2738 與我們聯絡。

如果您未選擇 PCP，我們將代您選擇。我們將設法為您選擇一位符合您需求的主診醫生。
