## B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs (Drug List)*. You can read all the FAQ to learn more or look for a question and answer.

### **B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the “*Drug List*” for short.)**

The drugs on the *Drug List* that starts in **Section C1** are the drugs covered by Alameda Alliance Wellness. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

- Alameda Alliance Wellness will cover all medically necessary drugs on the *Drug List* if:
  - your doctor or other prescriber says you need them to get better or stay healthy,
  - Alameda Alliance Wellness agrees that the drug is medically necessary for you, **and**
  - you fill the prescription at an Alameda Alliance Wellness network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at [www.alamedaalliance.org/alliancewellness](http://www.alamedaalliance.org/alliancewellness) or call Member Services at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) or at the numbers listed at the bottom of this page or at the numbers in the footer of this document.

### **B2. Does the *Drug List* ever change?**

---

**If you have questions**, please call Alameda Alliance Wellness at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**), seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit [www.alamedaalliance.org/alliancewellness](http://www.alamedaalliance.org/alliancewellness).

This Drug List was updated on 4/21/2026.

Yes, and Alameda Alliance Wellness must follow Medicare and Medi-Cal rules when making changes. We may add or remove drugs on the *Drug List* during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from Alameda Alliance Wellness before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we'll cover another drug.)

For more information on these drug rules, refer to question B4.

If you're taking a drug that was covered at the **beginning** of the year, we'll generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the *Drug List* now, or
- we learn that a drug isn't safe, or
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the *Drug List* changes.

- You can always check Alameda Alliance Wellness's up-to-date *Drug List* online at **[www.alamedaalliance.org/alliancewellness](http://www.alamedaalliance.org/alliancewellness)**. Updates to the *Drug List* are posted on the website monthly.
- You can also call Member Services at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) or at the numbers listed at the bottom of this page or at the numbers in the footer of this document to check the current *Drug List*.

### **B3. What happens when there's a change to the *Drug List*?**

Some changes to the *Drug List* will happen **immediately**. For example:

- **Substitutions of certain new versions of drugs.** We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug, but your cost for the new drug will remain \$0. When we add a new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.

This Drug List was updated on 4/21/2026.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- We can make these changes only if the drug we're adding:
  - is a new generic version of a brand name drug, or
  - is a certain new biosimilar version of original biological products on the *Drug List* (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
  - Some of these drug types may be new to you. For more information, refer to **Section B14**.
- You or your provider can ask for an exception from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **Remove unsafe drugs and other drugs that are taken off the market.** Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off the *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. You should contact your provider or your pharmacy with questions about medication disposal.

**We may make other changes that affect the drugs you take.** We'll tell you in advance about these other changes to the *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We remove a brand name drug from the *Drug List* when adding a generic drug that isn't new to the market, or
- we remove an original biological product when adding a biosimilar, or
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we'll:

- tell you at least 30 days before we make the change to the *Drug List* or
- let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- if there's a similar drug on the *Drug List* you can take instead or
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

#### **B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?**

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from Alameda Alliance Wellness before you fill your prescription. Prior authorization is different from a referral. Alameda Alliance Wellness may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes Alameda Alliance Wellness limits the amount of a drug you can get.
- **Step therapy:** Sometimes Alameda Alliance Wellness requires you to do step therapy. This means you'll have to try drugs in a certain order for your medical condition. You might have to try one drug before we'll cover another drug. If your prescriber thinks the first drug doesn't work for you, then we'll cover the second.

You can find out if your drug has any additional requirements or limits by looking in the tables in **Section C1**. You can also get more information by visiting our website at [www.alamedaalliance.org/alliancewellness](http://www.alamedaalliance.org/alliancewellness). We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

**You can ask for an exception from these limits.** This will give you time to talk to your doctor or other prescriber. They can help you decide if there's a similar drug on the *Drug List* you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

#### **B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?**

The table in the section titled "List of Drugs by Drug Type" has a column labeled "Requirements/Limits".

This Drug List was updated on 4/21/2026.

## **B6. What happens if Alameda Alliance Wellness changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?**

In some cases, we'll tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the *Drug List* change.

## **B7. How can I find a drug on the *Drug List*?**

There are two ways to find a drug:

- you can search alphabetically, **or**
- you can search by drug type.

To search **alphabetically**, look for your drug in the Index of Covered Drugs section. You can find it by searching for the corresponding drug name.

To search **by drug type**, find the **Section C1** labeled "List of Drugs by Drug Type". The drugs in this section are grouped into categories by type. For example, if you're taking a medicine for migraines, you should look in the "Antimigraine Agents - Treatment Of Migraine Headaches" category. That's where you'll find drugs that treat migraines.

## **B8. What if the drug I want to take isn't on the *Drug List*?**

If you don't find your drug on the *Drug List*, call Member Services at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) *or* at the numbers listed at the bottom of this page *or* at the numbers in the footer of this document and ask about it. If you learn that Alameda Alliance Wellness won't cover the drug, you can do one of these things:

- Ask Member Services for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the *Drug List* that's like the one you want to take. **Or**
- Ask Alameda Alliance Wellness to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

## **B9. What if I'm a new Alameda Alliance Wellness member and can't find my drug on the *Drug List* or have a problem getting my drug?**

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you're a member of Alameda Alliance Wellness. This will give you time to talk to your doctor or other

prescriber. They can help you decide if there's a similar drug on the *Drug List* you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we'll allow multiple refills to provide up to a maximum of 30 days of medication.

We'll cover a 30-day supply of your drug if:

- you're taking a drug that isn't on our *Drug List*, **or**
- our plan rules don't let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by Alameda Alliance Wellness, **or**
- you're taking a drug that's part of a step therapy restriction.

If you're taking a drug that Alameda Alliance Wellness doesn't consider to be a Part D drug, and the drug isn't on the *Drug List*, and you have a problem getting the drug, it may be covered through Medi-Cal Rx. If a Part D excluded drug requires an exception, and you have an emergency, Medi-Cal Rx will allow no less than 72-hour supply of the drug. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal BIC when getting prescriptions through Medi-Cal Rx.

If you're in a nursing home or other long-term care facility and need a drug that isn't on the *Drug List* or if you can't easily get the drug you need, we can help. If you've been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We'll cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you're a new Alameda Alliance Wellness member.
- This is in addition to the temporary supply during the first 90 days you're a member of Alameda Alliance Wellness.

### **B10. Can I ask for an exception to cover my drug?**

Yes. You can ask Alameda Alliance Wellness to make an exception to cover a drug that isn't on the *Drug List*.

You can also ask us to change the rules on your drug.

- For example, Alameda Alliance Wellness may limit the amount of a drug we'll cover. If your drug has a limit, you can ask us to change the limit and cover more.

---

**If you have questions**, please call Alameda Alliance Wellness at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**), seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit [www.alamedaalliance.org/alliancewellness](http://www.alamedaalliance.org/alliancewellness).

This Drug List was updated on 4/21/2026.

- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

### **B11. How can I ask for an exception?**

To ask for an exception, call Member Services. A Member Services representative will work with you and your prescriber to help you ask for an exception. You can also read **Chapter 9 Section G2** of the *Member Handbook* to learn more about exceptions.

### **B12. How long does it take to get an exception?**

After we get a statement from your prescriber supporting your request for an exception, we'll give you a decision within 72 hours. To request an exception, you or your prescriber must send Alameda Alliance Wellness a completed Coverage Exception Request Form, found on our website or by calling Member Services at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**). Your prescriber must submit a supporting statement to the plan sponsor documenting the request.

<b>Exception Request Phone Numbers</b>	
Prescriber Phone Line	<b>1.833.793.3767</b>
Prescriber Standard Fax Request	<b>1.855.508.1714</b>
Prescriber Urgent Fax Request	<b>1.855.806.6237</b>

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we'll give you a decision within 24 hours of getting your prescriber's supporting statement.

### **B13. What are generic drugs?**

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA). There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription—depending on state laws.

Alameda Alliance Wellness covers both brand name drugs and generic drugs.

#### **B14. What are original biological products and how are they related to biosimilars?**

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to **Chapter 5** of the *Member Handbook*.

#### **B15. What are OTC drugs?**

OTC stands for “over-the-counter”. Some over-the-counter (OTC) medications and certain vitamins may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

#### **B16. Does Alameda Alliance Wellness cover non-drug OTC products?**

Please see Chapter 4 of the Member Handbook for more information about OTC products covered by Alameda Alliance Wellness.

#### **B17. Does Alameda Alliance Wellness cover long-term supplies of prescriptions?**

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered drugs. A 90-day supply has the same copay as a one-month supply.

#### **B18. Can I get prescriptions delivered to my home from my local pharmacy?**

Your local pharmacy may be able to deliver your prescription to your home. You can call your pharmacy to find out if they offer home delivery.

## C. Overview of the *List of Covered Drugs*

The *List of Covered Drugs* gives you information about the drugs covered by Alameda Alliance Wellness. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins in **Section D**. The index alphabetically lists all drugs covered by Alameda Alliance Wellness.

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

### Appeals Under Part D

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want isn't covered or is no longer covered by Medicare or Medi-Cal.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Member Services at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) or at the numbers listed at the bottom of this page or at the numbers in the footer of this document.
- You can also read **Chapter 9** of the *Member Handbook* to learn how to appeal a decision.
- Drugs that aren't a Part D drug have different rules for appeals.

## C1. List of Drugs by Drug Type

The drugs in this section are grouped into categories by type . For example, if you have a heart condition, you should look in the category, “Cardiovascular Agents”. That’s where you’ll find drugs that treat heart conditions.

Here are the meanings of the codes used in the “Requirements/Limits” column:

B/D = Drug may be available under Medicare Part B or Part D benefit.

MME = Milligram Morphine Equivalent: this drug may have combined daily dose limits.

PA = Prior Authorization: you must have authorization from the plan before you can get this drug.

QL = Quantity Limit: description of quantities and days limits.

ST = Step Therapy: you must try another drug before you can get this one.

The first column of the table lists the name of the drug. Generic drugs are listed in lower-case italics (for example, *cefadroxil oral capsule 500 mg*), brand name drugs are capitalized (for example, ZTLIDO EXTERNAL PATCH 1.8%). The information in the “Requirements/Limits” column tells you if Alameda Alliance Wellness has any rules for covering your drug.
