Frequently Asked Questions	Answers
What's a Medicare-Medi-Cal (Medi-Medi) Plan?	A Medi-Medi Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It's for people age 21 and older. A Medi-Medi Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. It also has care coordinators to help you manage all your providers and services and supports. They all work together to provide the care you need.
Will I get the same Medicare and Medi-Cal benefits in Alameda Alliance Wellness that I get now?	<p>You'll get most of your covered Medicare and Medi-Cal benefits directly from Alameda Alliance Wellness. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Supportive Services (IHSS), specialty mental health and substance use disorder services, or regional center services.</p> <p>When you enroll in Alameda Alliance Wellness, you and your care team will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you're taking any Medicare Part D drugs that Alameda Alliance Wellness doesn't normally cover, you can get a temporary supply, and we'll help you to transition to another drug or get an exception for Alameda Alliance Wellness to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.</p>

Frequently Asked Questions	Answers
What are Long-term Services and Supports (LTSS)?	Long-term Services and Supports (LTSS) are help for people who need assistance to do everyday tasks like bathing, toileting, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. In some cases, a county or other agency may administer these services, and your care coordinator or care team will work with that agency.
What's a Multipurpose Senior Services Program (MSSP)?	A MSSP provides on-going care coordination with health care providers beyond what your health plan already provides and can connect you to other needed community services and resources. This program helps you get services that help you live independently in your home.
What happens if I need a service but no one in the Alameda Alliance Wellness network can provide it?	Most services will be provided by our network providers. If you need a service that can't be provided within our network, Alameda Alliance Wellness will pay for the cost of an out-of-network provider.
Where's Alameda Alliance Wellness available?	The service area for this plan includes: Alameda County. You must live in this area to join the plan.
What's prior authorization?	<p>Prior authorization means an approval from Alameda Alliance Wellness to seek services outside of our network or to get services not routinely covered by our network before you get the services. Alameda Alliance Wellness may not cover the service, procedure, item, or drug if you don't get prior authorization.</p> <p>If you need urgent or emergency care or out-of-area dialysis services, you don't need to get prior authorization first. Alameda Alliance Wellness can provide you or your provider with a list of services or procedures that require you to get prior authorization from Alameda Alliance Wellness before the service is provided. If you have questions about whether prior authorization is required for specific services, procedures, items, or drugs, call Member Services at the numbers listed at the bottom of this page for help.</p>

Frequently Asked Questions	Answers
What's a referral?	A referral means that your primary care provider (PCP) or care team must give you approval to go to someone that's not your PCP. A referral is different than a prior authorization. If you don't get a referral from your PCP or care team, Alameda Alliance Wellness may not cover the services. Alameda Alliance Wellness can provide you with a list of services that require you to get a referral from your PCP or care team before the service is provided. Refer to the <i>Member Handbook</i> to learn more about when you'll need to get a referral from your PCP or care team.
Do I pay a monthly amount (also called a premium) under Alameda Alliance Wellness?	No. Because you have Medi-Cal, you won't pay any monthly premiums, including your Medicare Part B premium, for your health coverage.
