

Health care you can count on.
Service you can trust.

Alliance Provider Network

More than 7,000 physicians contribute to the Alliance's provider network in Alameda County and the surrounding counties. Approximately 98% of the provider network is contracted to serve Medi-Cal and Group Care products, offering full access to more than 400,000 members.

The following is a summary of the facilities and professional contracts currently available to our members:

- 17 hospitals
- 3,800 beds
- 13 emergency rooms
- 67 health centers
- School-based & Mobile Clinics
- 200+ pharmacies
- 73 Skilled Nursing facilities
- 712 Primary Care Physicians
- 7,279 Specialists
- 1300 mental health providers
- 380 transportation sources (emergency, non-emergent)
