## Welcome to Alameda Alliance for Health

Alameda Alliance for Health (Alliance) welcomes you to our health plan. We are now your partner in health. This Provider Directory is a tool that will help you find the right doctor, also known as health care provider or primary care provider (PCP). These providers have agreed to work with the Alliance to give you quality health care. The first thing you need to do is select a PCP. Your PCP is your gateway to most all other types of medical services. You need to pick your providers from this list. Please read the information inside so you will know who can provide health care services to you. For access to specialty services, a referral from your PCP or approval from the Alliance may be required. See your Evidence of Coverage (EOC) for information about your covered benefits.

**Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception, and sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor or clinic, medical group, independent practice association, or call Alameda Alliance for Health at 510.747.4567 to ensure that you can obtain the health care services that you need.**

You can also check the online Provider Directory at: [www.alamedaalliance.org](http://www.alamedaalliance.org) and click on "Find a Doctor or Hospital" near the bottom of the page.

## How to Use the Provider Directory

**1. Decide what type of provider you need.** This booklet is divided into sections for each type of provider listed below.

- Alliance Provider Partners
  - Behavioral Health Services
  - Laboratory Services
  - Vision Services
  - Telehealth Services
- Primary Care Providers (PCPs)
- Specialty Care Providers (SCPs)
- Mid-Level Providers (MLPs)
- Outpatient Behavioral Health Care Providers
- Other Services Providers (Such as Enhanced Care Management (ECM) and Community Supports (CS) require prior authorization and are limited to members who meet specific eligibility criteria).

Look in the section that lists the type of provider you need. If you do not know what the "type" of provider does, look at the "Definitions" on page 27.

**2. Check the "Table of Contents" for the page number where you can find the type of providers you need.**

**3. Go to that page and look through the entries.**

Each provider has one entry or more in the list. This shows what is in each entry. ➔

Each PCP entry is arranged by type of specialty, by city, and then network. Here is a list of the types of Primary Care Doctors you can choose from:

- Family and General Practice doctors can see any member of any age.
- Internal Medicine Doctors see only adults and children over the age of 14 years.
- Pediatrics/Pediatricians see newborns, babies, children, and teens up to the age of 18 or 21 years.
- Obstetrics/Gynecology – see women and specialize in women's health and maternity care.

You see the PCP's name, arranged alphabetically, the office or clinic name of where they see patients, and network affiliation. Some providers are linked to certain groups of doctors and/or clinics. If you see a PCP that is linked with a network, it may mean that you stay within that network to see a specialist or get other types of care. Networks that partner with the Alliance include:

- Alameda Alliance for Health (AAH) is a group of doctors and clinics directly contracted with the Alliance.
- Children's First Medical Group (CFMG) is a group of Pediatricians.
- Community Health Care Network (CHCN) is a group of clinics with all types of doctors.

In addition to the provider's address, and phone number, you will also find:

#### 4. Look for this symbol if you need physical accessibility information about a provider office:

The Alliance complies with Section 506 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. The Alliance will not deny its programs or benefits to members who qualify as disabled because of their disability. Nor will members be treated with unfair bias based on their disability. We make every effort to ensure that our offices and the offices of our providers are easy for people with a disability to enter.

This directory includes disability access information for Alliance providers. If you want to check on the accessibility information of a location, please call the provider office to ask if they can meet your needs. You may also call Alliance Member Services at 510.747.4567 or toll-free at 1.877.932.2738 (CRS/TTY: 711, or 1.800.735.2929).

#### Three Levels of Accessibility for Members with Needs:

- **Basic Access** – Means the location is accessible for members with disabilities for parking, building, elevator, doctor's office, exam room and restroom. Provider offices with Basic Access are shown in the directory with all five of the following disability access codes: **P**, **EB**, **IB**, **R**, and **E**. These codes are defined in the chart on the following page.
- **Limited Access** – Means the location is missing or is incomplete in access to parking, building, elevator, doctor's office, exam room, and/or restroom. Provider offices with Limited Access are missing one or more of the six symbols (**P**, **EB**, **IB**, **R**, **E**, and **T**).
- **Medical Equipment Access** – Means that in addition to **Basic** or **Limited Access**, the provider has accessible weight scales (for wheel chair/scooter plus patient). Providers with Medical Equipment Access are shown with the **T** disability access code. The **T** and other disability access code is defined in the chart on the following page.

**\*Accessibility Code & Definition Table****P = Parking**

Parking spaces for cars and vans are accessible. Pathways have curb ramps between the parking lot, office, and at drop off places.

**EB = Exterior Building**

Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter user. Handrails are on both sides of the ramp. There is an accessible entrance to the building. Doors open wide enough to let a wheelchair or scooter user enter. Doors have handles that are easy to use.

**IB = Interior Building**

Doors open wide enough to let a wheelchair or scooter user enter. Doors have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. If there is a platform lift, it can be used without help. If there is an elevator:

- The public and patients can use it at all times the building is open.
- It has easy-to-hear sounds and Braille buttons within reach.
- It has enough room for a wheelchair or scooter to turn around.

**R = Restroom**

The restroom is accessible and the doors open wide enough to allow a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter user to turn around and close the door. There are grab bars that allow easy transfer from wheelchair to toilet. The sink is easy to get to and the faucets, soap, and toilet paper are easy to reach and use.

**E = Exam Room**

The entrance to the exam room is accessible, with a clear path. The doors open wide enough to allow a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.

**T = Exam Table/Scale**

The exam table moves up and down and the scale is accessible with handrails to assist people with wheelchairs.

Please note that the accessibility of a location may change. **We suggest that you contact a provider office to confirm that it can meet your physical needs.**

Cada entrada de un PCP se organiza por el tipo de especialidad, ciudad y luego por la red de proveedores a la cual pertenece. Ésta es una lista de los tipos de médicos de cabecera entre los que puede elegir:

- Los médicos generales y los de medicina familiar pueden ver a cualquier miembro de cualquier edad.
- Los médicos de medicina interna sólo ven adultos y niños de más de 14 años.
- Los pediatras ven a los recién nacidos, a los bebés y a los niños y adolescentes hasta la edad de 18 o 21 años.
- Obstetricia/Ginecología: los ginecólogos y obstetras se ocupan de las mujeres y se especializan en el cuidado de su salud y de la maternidad.

Usted localiza el nombre del PCP, en orden alfabético, el nombre del consultorio o de la clínica en la que ve a los pacientes y su afiliación con la red. Algunos proveedores están vinculados a ciertos grupos de médicos o clínicas. Si usted es atendido por un PCP que está vinculado a una red, es posible que esto signifique que usted permanece dentro de esa red para consultar a un especialista o para obtener otros tipos de atención. Las redes asociadas con Alliance incluyen:

- Alameda Alliance for Health (AAH) es un grupo de médicos y clínicas contratado directamente por Alliance.
- Children's First Medical Group (CFMG) es un grupo de pediatras.
- Community Health Care Network (CHCN) es un grupo de clínicas con todo tipo de médicos.

Además de la dirección del proveedor y del número de teléfono, también encontrará:

#### 4. Busque este símbolo si necesita información sobre la accesibilidad física en el consultorio de un proveedor:

Alliance cumple con la sección 506 de la Ley de Rehabilitación de 1973 y la Ley de Estadounidenses con Discapacidades (Americans with Disabilities Act, ADA) de 1990. Alliance no negará sus programas o beneficios a los miembros que reúnan los requisitos para considerarse discapacitados debido a su discapacidad. Tampoco se tratará de forma injusta a los miembros con base en su discapacidad. Nos esforzamos por garantizar que nuestras oficinas y los consultorios de nuestros proveedores cuenten con entradas de fácil acceso para las personas que tengan alguna discapacidad.

Este directorio incluye información sobre el acceso para discapacitados para los proveedores de Alliance. Si desea revisar la información de accesibilidad de una ubicación, llame al consultorio del proveedor para preguntar si pueden cubrir sus necesidades. También puede llamar a Servicios al Miembro al 510.747.4567 o a la línea gratuita 1.877.932.2738 (CRS/TTY: 711 o 1.800.735.2929).

#### Tres niveles de acceso para los miembros con discapacidades:

- **Acceso básico:** significa que la ubicación tiene acceso para miembros con discapacidades en el estacionamiento, el edificio, el ascensor, el consultorio médico, la sala de exámenes y el baño. Las oficinas de proveedores con acceso básico aparecen en el directorio con los siguientes cinco códigos de acceso para discapacitados: **P**, **EB**, **IB**, **R** y **E**. Estos códigos están definidos en el cuadro en la siguiente página.
- **Acceso limitado:** significa que la ubicación no tiene acceso, o le falta alguno, al estacionamiento, el edificio, el ascensor, el consultorio médico, la sala de exámenes o el baño. A los consultorios de proveedores con acceso limitado les falta uno o más de los seis símbolos (**P**, **EB**, **IB**, **R**, **E**, y **T**).
- **Acceso al equipo médico:** significa que, además del acceso **básico** o **limitado**, el proveedor tiene básculas accesibles (para silla de ruedas/silla de ruedas motorizada más el paciente). Los proveedores con acceso al equipo médico se muestran con el código **T** de acceso para discapacitados. El código **T** y otros códigos de acceso para discapacitados están definidos en el cuadro de la página siguiente.

**\*Definición y código de acceso para discapacitados****P = Estacionamiento**

Se puede acceder a los espacios de estacionamiento para coches y camionetas. Los caminos tienen rampas en las banquetas entre el estacionamiento, el consultorio y los lugares para bajarse del vehículo.

**EB = Edificio exterior**

Las rampas en las banquetas y otras rampas de acceso al edificio son lo suficientemente amplias para los usuarios de sillas de ruedas o sillas de ruedas motorizadas. Hay pasamanos en ambos lados de la rampa. Hay una entrada accesible al edificio. Las puertas se abren lo suficiente para que pase una silla de ruedas o silla de ruedas motorizada. Las puertas tienen manijas fáciles de usar.

**IB = Edificio interior**

Las puertas se abren lo suficiente para que pase una silla de ruedas o silla de ruedas motorizada. Las puertas tienen manijas fáciles de usar. Las rampas interiores son lo suficientemente amplias y tienen barandales. Las escaleras, si las hay, tienen barandales. Si hay un elevador de plataforma, se puede usar sin ayuda. Si hay ascensor:

- El público y los pacientes lo pueden utilizar todo el tiempo que esté abierto el edificio.
- Tiene sonidos fáciles de escuchar y botones en braille al alcance.
- Hay espacio suficiente para que una silla de ruedas o silla de ruedas motorizada dé la vuelta.

**R = Baño**

El baño es accesible y las puertas se abren lo suficiente para permitir que pase una silla de ruedas o silla de ruedas motorizada, y son fáciles de abrir. El baño tiene espacio suficiente para que una silla de ruedas o silla de ruedas motorizada dé la vuelta y cierre la puerta. Hay barras de soporte que permiten transferirse fácilmente de la silla de ruedas al inodoro. Es fácil llegar al lavabo, y las llaves, el jabón y el papel de baño son fáciles de alcanzar y de usar.

**E = Sala de exámenes**

La entrada a la sala de exámenes es accesible, con una vía despejada. Las puertas se abren lo suficiente para dejar pasar una silla de ruedas o silla de ruedas motorizada y son fáciles de abrir. La sala de exámenes tiene espacio suficiente para que una silla de ruedas o silla de ruedas motorizada dé la vuelta.

**T = Mesa/Báscula de exámenes**

La mesa de exámenes se mueve hacia arriba y hacia abajo y la báscula es accesible gracias a los barandales para ayudar a la gente con silla de ruedas o silla de ruedas motorizada. En la báscula pueden ponerse sillas de ruedas.

Por favor tome en cuenta que la accesibilidad de una ubicación puede cambiar. **Le sugerimos que se ponga en contacto con el consultorio de un proveedor para confirmar que puede cubrir sus necesidades físicas.**

## Tips on Choosing Your Regular Doctor

This section lists all of the Primary Care Providers (PCPs) in the Alliance. They are listed by the city where they have an office. A PCP is your “regular doctor.” It is through your PCP that you get a specialist, medications and other medical services. Each person in your family who joins the Alliance should have his/her own PCP. Call your PCP first for all your health care needs. If you need special kinds of care, he/she will help you find other health care providers. Having a PCP is important. It can be hard if you do not have a doctor who knows your health.

A PCP is a provider who is licensed to practice medicine and may be a Pediatrician, General Practitioner, Family Practitioner, Internist, Obstetrician/Gynecologist (OB-GYN). A Nurse Practitioner or Physician Assistant works under the supervision and guidance of a PCP within the office or clinic setting. All PCPs must be contracted with the Alliance or work for a clinic/office that is contracted with the Alliance.

Your PCP will be listed on your Alliance ID card.

- **If your card reads Primary Care: PLEASE CHOOSE A DOCTOR**

- Please call us at 510.747.4567 or 1.877.932.2738 to choose an Alliance doctor within 30 days.
- After you tell us the doctor you want, we will send you a new ID card showing the one you chose.

- **If your card reads Primary Care: PCP NOT REQUIRED**

- You do not need to choose an Alliance Medi-Cal doctor if you have Original Medicare or Medicare with a different health plan. You may choose one if you want to.

## Tips On Choosing Your PCP

- If you already have a PCP you like, check for his/her name in the index.
- Consider what area is best for you. The PCPs are listed by city. Also, look at the address to see if you can get there by car, bus, or BART. Is it close to home, work, or school?
- Does the PCP or office staff speak your language? Do they know your culture? Our network has providers that speak over 30 languages and dialects. You should be able to find a provider who can meet your language needs.
- It is OK to call the PCP's office to ask questions.
  - Ask what the office hours are.
  - Ask how long it takes to get an appointment.
  - Ask if the PCP has experience in treating the medical problem you have.
- Ask your friends or relatives for some names.
- You can also call us at 510.747.4567 or 1.877.932.2738.

## Consejos para elegir a su médico regular

Esta sección enumera a todos los médicos de cabecera (PCP) de Alliance. Se enumeran según la ciudad en donde tienen consultorio. Un médico de cabecera es su “médico regular”. Es mediante su PCP que usted tiene acceso a un especialista, medicamentos y otros servicios médicos. Cada persona de su familia que se una a Alliance, debe tener su propio médico de cabecera. Llame primero a su médico de cabecera para consultar todas sus necesidades de atención médica. Si necesita tipos especiales de atención, él o ella lo ayudará a encontrar otros proveedores de atención médica. Tener un médico de cabecera es importante. Puede ser difícil si no tiene un médico que conozca su salud.

Un médico de cabecera es un proveedor autorizado para practicar medicina y puede ser un pediatra, un profesional de medicina general, un profesional de medicina familiar, un internista, un gineco-obstetra (OB/GYN). Una enfermera profesional con práctica médica o asistente médico trabaja bajo la supervisión y la guía de un PCP dentro del ambiente del consultorio o de la clínica. Todos los médicos de cabecera deben tener un contrato con Alliance o trabajar para una clínica/consultorio que tenga un contrato con Alliance.

Su PCP se encontrará en su tarjeta de identificación Alliance.

- **Si su tarjeta dice Primary Care: PLEASE CHOOSE A DOCTOR (Atención primaria: elija un médico)**
  - Llámenos al 510.747.4567 o al 877.932.2738 para elegir un médico de Alliance en un plazo de 30 días.
  - Después de comunicarnos qué médico prefiere, le enviaremos una nueva tarjeta de identificación en la que aparezca su elección.
- **Si su tarjeta dice PCP not required (No se requiere un médico de cabecera)**
  - No es necesario que elija un médico de Alliance Medi-Cal si tiene Medicare Original o Medicare con un plan de salud diferente. Puede elegir uno si así lo desea.

## Consejos para elegir a su médico de cabecera

- Si ya tiene un médico de cabecera que le gusta, verifique que su nombre se encuentre en el índice.
- Considere qué área es mejor para usted. Los médicos de cabecera están agrupados por ciudad. Además, busque la dirección para ver si puede llegar en coche, autobús o en el Transporte Rápido del Área de la Bahía (Bay Area Rapid Transit, BART). ¿Está cerca del trabajo, la casa o la escuela?
- ¿El médico de cabecera o el personal del consultorio su idioma? ¿Conocen su cultura? Nuestra red cuenta con proveedores que hablan más de 30 idiomas y dialectos. Debe poder encontrar un proveedor que cubra sus necesidades lingüísticas.
- Está bien llamar al consultorio del médico de cabecera para hacer preguntas.
  - Pregunte cuál es el horario de atención.
  - Pregunte cuánto toma conseguir una cita.
  - Pregunte si el médico de cabecera tiene experiencia en el tratamiento del problema médico que usted tiene.
- Pida nombres a sus amigos o parientes.
- También puede llamarnos al 510.747.4567 o al 1.877.932.2738.

Si no elige a su médico de cabecera, nosotros elegiremos uno por usted. Trataremos de elegir a un médico de cabecera que pueda satisfacer sus necesidades.

## Mga Tip sa Pagpili ng Iyong PCP

- Kung may gusto ka nang PCP, hanapin ang kanyang pangalan sa index.
- Pag-isipan ang lugar na pinakanaaangkop sa iyo. Nakalista ang mga PCP ayon sa lungsod. Tingnan din ang address para malaman kung makakapunta ka roon sakay ng sasakyan, bus, o BART. Malapit ba ito sa bahay, trabaho, o paaralan?
- Ginagamit ba ng PCP o mga staff ng tanggapan ang wika mo? Alam ba nila ang iyong kultura? Ang aming network ay may mga provider na gumagamit ng mahigit sa 30 wika at dialekto. Kaya makakakita ka ng provider na nakakatugon sa iyong mga pangangailangan sa wika.
- OK lang tumawag sa tanggapan ng PCP para magtanong.
  - Tanungin ang mga oras ng tanggapan.
  - Tanungin kung gaano katagal bago makapagpa-appointment.
  - Tanungin kung may karanasan ang PCP mo sa iyong medikal na problema.
- Tanungin ang iyong mga kaibigan o kamag-anak kung mayroon silang kakilala.
- Puwede ka ring tumawag sa amin sa 510.747.4567 o sa 1.877.932.2738.

Kung hindi ka pipili ng PCP mo, kami ang pipili nito para sa iyo. Susubukan naming itugma ka sa PCP na makakatugon sa iyong mga pangangailangan.

## Pagpapalit ng PCP

Kung minsan, kailangan mong magpalit ng iyong PCP.

Kung kailangan mong magpalit ng PCP, tumawag sa Mga Serbisyo sa Miyembro ng Alliance sa 510.747.4567 o sa 1.877.932.2738. Mga taong may mga problema sa pandinig at pagsasalita (CRS/TTY): 711/1.800.735.2929. Kadalasan, magkakaroon ng bisa ang pagbabago sa unang araw ng susunod na buwan.

Kapag nagpalit ka ng PCP, magpapadala kami sa iyo ng bagong ID Card bilang Miyembro ng Alliance sa koreo. Makikita sa bago mong card ang pangalan at numero ng telepono ng iyong bagong PCP. Makikita rin dito ang petsa kung kailan magkakaroon ng bisa ang pagpapalit mo ng PCP.

## Mga Checkup

Mahalaga ang mga regular na checkup sa mabuting kalusugan. Dapat kang tumawag sa iyong PCP para magpa-check up sa loob ng 3 buwan pagkatapos mong sumali sa Alliance.
