NOTICE TO THE PUBLIC

An agenda is provided for each CAC Selection Committee meeting. Please call the Clerk of the Board at 510-995-1207 for assistance or any additional information. Meeting agendas and approved minutes are kept current on the Alameda Alliance for Health's website at www.alamedaalliance.org.

An agenda is provided for each Committee meeting, which list the items submitted for consideration. Prior to the listed agenda items, the Committee may hold a study session to receive information or meet with another committee. A study session is open to the public; however, no public testimony is taken and no decisions are made. Following a study session, the regular meeting will begin at 3:00 PM. At this time, the Committee allows oral communications from the public to address the Committee on items NOT listed on the agenda. Oral comments to address the Committee are limited to three minutes per person. Staff Reports are available. To obtain a document, please call the Clerk of the Board at 510-995-1207.

Additions and Deletions to the Agenda: Additions to the agenda are limited by California Government Code Section 54954.2 and confined to items that arise after the posting of the Agenda and must be acted upon prior to the next Strategic Planning Committee meeting. For special meeting agendas, only those items listed on the published agenda may be discussed. The items on the agenda are arranged in three categories. **Consent Calendar:** These are relatively minor in nature, do not have any outstanding issues or concerns, and do not require a public hearing. All consent calendar items are considered by the Committee as one item and a single vote is taken for their approval, unless an item is pulled from the consent calendar for individual discussion. There is no public discussion of consent calendar items unless requested by the Committee.

Public Hearings: This category is for matters that require, by law, a hearing open to public comment because of the particular nature of the request. Public hearings are formally conducted and public input/testimony is requested at a specific time. This is your opportunity to speak on the item(s) that concern you. If, in the future, you wish to challenge in court any of the matters on this agenda for which a public hearing is to be conducted, you may be limited to raising only those issues which you (or someone else) raised orally at the public hearing or in written correspondence received by the Committee at or before the hearing. **Committee Business:** Items in this category are general in nature and may require Committee action. Public Input: If you are interested in addressing the Committee, you may submit comments on any agenda item or on any item not on the agenda, in writing via mail to "Attn: Alliance CAC Selection Committee," 1240 S. Loop Road, Alameda, CA 94502; or through e-comment at brmartinez@alamedaalliance.org. [You may also provide comments during the meeting at the end of each topic.](#)
