

Alameda Alliance Wellness Care Management

Coordinated care for your patients

The Alameda Alliance for Health (Alliance) Case and Disease Management (CMDM) Program is available to help you care for your patients and is provided at no cost. Your patients are automatically assigned a care manager when they enroll with Alameda Alliance Wellness (HMO D-SNP).

The program coordinates services and provides support to help improve patient outcomes and overall member satisfaction.

The CMDM team includes:

- Health navigators
- Medical directors
- Mental health professionals
- Pharmacists
- Registered Nurses
- Social workers

Your patients and their caregivers can receive support with:

- Coordination among multiple health care providers (including palliative care teams, hospitals, nursing facilities, and more)
- Help finding providers in the Alliance network
- Help finding community resources
- Help with illness self-management (including dementia care)

Find more information, please visit the Alliance website at
