A. Welcome to our plan

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

Alameda Alliance for Health (Alliance) is a local, public, not-for-profit managed care health plan committed to making high quality health care services accessible and affordable to Alameda County residents. Established in 1996, the Alliance was created by and for Alameda County residents. The Alliance Board of Governors, leadership staff, and provider network reflect the county's cultural and linguistic diversity. The Alliance provides health care coverage to over 415,000 Alameda County residents.

B. Information about Medicare and Medi-Cal

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Medi-Cal

Medi-Cal is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of California approved our plan. You can get Medicare and Medi-Cal services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services isn't affected.

C. Advantages of our plan

You'll now get all your covered Medicare and Medi-Cal services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medi-Cal benefits work better together for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

New members to Alameda Alliance Wellness: In most instances you'll be enrolled in Alameda Alliance Wellness for your Medicare benefits the 1st day of the month after you request to be enrolled in Alameda Alliance Wellness. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you'll receive your Medi-Cal services through Alameda Alliance Wellness. There will be no gap in your Medi-Cal coverage. Please call us at the number at the bottom of the page if you have any questions.

D. Our plan's service area

Our service area includes this county in California: Alameda County.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- are age 21 and older at the time of enrollment, **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Medi-Cal.

If you lose Medi-Cal eligibility but can be expected to regain it within (3) months then you're still eligible for our plan.

Call Member Services for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

If our plan is new for you, you can keep using the doctors you use now for a certain amount of time, even if they're not in our network. We call this continuity of care. If they're not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider asks us to let you keep using your current provider.
- We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say "existing relationship," it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in our plan.
 - We determine an existing relationship by reviewing your available health information or information you give us.
 - We have 30 days to respond to your request. You can ask us to make a faster decision, and we must respond in 15 days. You can make this request by calling **1.888.88A.DSNP (1.888.882.3767)**. TTY users can call **1.800.735.2929**. If you're at risk of harm, we must respond within 3 days.
 - You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

Note: You can make this request for providers of Durable Medical Equipment (DME) for at least 90 days until we authorize a new DME rental and have a network provider deliver the rental. Although you can't make this request for providers of transportation or other ancillary providers, you can make a request for services of transportation or other ancillary services not included in our plan.

After the continuity of care period ends, you'll need to use doctors and other providers in the Alameda Alliance Wellness network that are in-network unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. A medical group or an Independent Physician Association (IPA) is an organization formed under

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

California law that contracts with health plans to provide or arrange for the provisions of health care services to health plan enrollees. A medical group or IPA is an association of primary care physicians and specialists created to provide coordinated health care services to you. Refer to **Chapter 3** of this *Member Handbook* for more information on getting care.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services.

Your care plan includes:

- your health care goals,
- a timeline for getting the services you need,
- your personal health care preferences,
- description of the services specially tailored to your needs,
- the role of the Interdisciplinary Care Team (ICT),
- your role, your authorized representative's role, and/or your caregiver's role,
- identification of barriers to meet your goals,
- development of schedules for follow-up and communication, and
- assessment of progress against plans and goals, and modifications as needed

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of important costs for Alameda Alliance Wellness

Our plan has no premium.

Your costs may include the following:

- Medicare Prescription Payment Plan Amount (**Section H1**)

H1. Medicare Prescription Payment Amount

If you're participating in the Medicare Prescription Payment Plan, you'll get a bill from your plan for your drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

I. This *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of this *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website.

The contract is in effect for the months you're enrolled in our plan between January 1, 2026 and December 31, 2026.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Medi-Cal services, including Long-Term Services and Supports (LTSS), certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Medi-Cal card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access the following services:

- Medi-Cal Dental Services
- Outpatient prescription drugs not covered by Medicare
- Substance Use Disorder
- In-Home Supportive Services if applicable

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days.

You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), pharmacies, and support providers (such as Community-Based Adult Services [CBAS]) that you may see as an Alameda Alliance Wellness member.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**,
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medi-Cal.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in **Chapter 5, Section B**. Medicare approved the Alameda Alliance Wellness *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**,
- if you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

You can also make information changes by logging into your Alliance member account. You can register and access your Alliance member account by visiting www.alamedaalliance.org/alliancewellness.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

M1. Extra Help from Medicare

Because you're eligible for Medi-Cal, you qualify for and are getting "Extra Help" from Medicare to pay for your drug plan costs. You don't need to do anything to get this "Extra Help."

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help get evidence of your correct copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

- Please contact your care coordinator or Member Services for instructions how to share your evidence with us.
- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back by check. Call Member Services at the number at the bottom of the page if you have questions.

M2. AIDS Drug Assistance Program (ADAP)

ADAP helps ADAP-eligible people living with HIV/AIDS have access to life-saving HIV drugs. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the California Department of Public Health, Office of AIDS. Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of the state residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to receive assistance for information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1.844.421.7050 or check the ADAP website at https://www.cdph.ca.gov/Programs/CID/DOA/pages/OA_adap_eligibility.aspx.

M3. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same plan, you don't need to do anything to continue this option.** "Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. To learn more about this payment option, call Member Services at the phone number at the bottom of the page or visit www.medicare.gov.

A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment, and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare, and most Medi-Cal services. This includes certain behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and many LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean services that are reasonable and necessary to diagnose and treat your medical condition. Medically necessary care is needed to keep individuals from getting seriously ill or becoming disabled and reduces severe pain by treating disease, illness, or injury.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (for more information, go to **Section D1** of this chapter).
 - In most cases, your network PCP or our plan must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services.
 - Our plan's PCPs may be affiliated with medical groups. When you choose your PCP and if the PCP is affiliated with a medical group, you're also choosing the affiliated medical group. This means that your PCP refers you to specialists and services that are also affiliated with their medical group. A medical group is an association of primary care providers (PCP) and specialists created to provide coordinated health care services to you.
 - You don't need referrals from your PCP for emergency care or urgently needed care, to use a woman's health provider, or for any of the other services listed in **Section D1** of this chapter.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information, go to **Section H** in this chapter).
 - If you need care that our plan covers and our network providers can't provide it, you can get care from an out-of-network provider. An authorization is needed and should be obtained from the plan prior to seeking care. In this situation, we cover the care as if you got it from a network provider. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible.
 - When you first join our plan, you can ask to continue using your current providers. With some exceptions, we must approve this request if we can establish that you had an existing relationship with the providers. Refer to **Chapter 1** of this *Member Handbook*. If we approve your request, you can continue using the providers you use now for up to 12 months for services. During that time, your care coordinator will contact you to help you find providers in our network. After 12 months, we'll no longer cover your care if you continue to use providers that aren't in our network.

Other Health Coverage: Medi-Cal members must utilize all other health coverage (OHC) prior to Medi-Cal when the same service is available under your health coverage since Medi-Cal is the payer of last resort. This means that in most cases, Medi-Cal will be the secondary payer to the Medicare OHC, covering allowable costs not paid by our plan or other OHC up to the Medi-Cal rate.

New members to Alameda Alliance Wellness: In most instances, you'll be enrolled in Alameda Alliance Wellness for your Medicare benefits the 1st day of the month after you request to be enrolled in Alameda Alliance Wellness. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you'll receive your Medi-Cal services through Alameda Alliance Wellness. D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care. Our plan's PCPs are in-network.

Definition of a PCP and what a PCP does for you

Your PCP is a physician who meets state requirements and is trained to give you basic medical care.

A PCP can be a:

- General practitioner
- Internist
- Pediatrician
- Family practitioner
- OB/GYN
- Indian Health Care Provider (IHCP)
- Federally Qualified Health Center (FQHC)
- Nurse practitioner
- Physician assistant
- Clinic

A medical group or IPA is a network or group of doctors who work together. Also called a provider group.

Your primary care provider (PCP) will refer you to specialists and services that are connected with his or her medical group, IPA or with Alameda Alliance Wellness. If you are going to a specialist already, talk with your PCP or call Member Services at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. Member Services will help you see that provider if you are eligible for continuity of care. A Federally Qualified Health Center (FQHC) is a health center in an area that does not have many providers. You can get primary and preventive care at an FQHC and may choose to have an FQHC as your PCP.

For some types of care, your PCP will need to ask Alameda Alliance Wellness for permission before you get the care. This is called asking for pre-approval or prior authorization. It means the plan must make sure the care is medically necessary (needed).

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Your choice of PCP

If there's a particular specialist or hospital that you want to use, find out if they're affiliated with your PCP's medical group. You can look in the *Provider and Pharmacy Directory*, go to our website at www.alamedaalliance.org/help/find-a-doctor and search for the PCP you want, or ask Member Services to find out if the PCP you want makes referrals to that specialist or uses that hospital.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. However, if you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the Alameda Alliance Wellness provider network and is taking new patients. Your new choice will become your PCP on the first day of the next month after you make the change. To change your PCP, call Alameda Alliance Wellness Member Services at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. You can also request to change your PCP online when you log into your Alliance Member Portal account at www.alamedaalliance.org/alliancewellness.

Alameda Alliance Wellness can change your PCP if the PCP is not taking new patients, has left the Alameda Alliance Wellness network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. Alameda Alliance Wellness or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If Alameda Alliance Wellness needs to change your PCP, we will tell you in writing. If your PCP changes, you will get a letter and new Alameda Alliance Wellness member ID card in the mail. It will have the name of your new PCP. Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP accepting new patients?
- Is the PCP's office close to my home, work, or my children's school?
- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- Does the PCP work with a hospital I like?
- Does the PCP provide the services I need?
- Do the PCP's office hours fit my schedule?
- Does the PCP work with specialists I use?

Our plan has some PCPs that are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for a change, tell Member Services if you use a specialist or get other covered services that must have PCP approval. Member Services helps you continue your specialty care and other services when you change your PCP.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP or our plan before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP or our plan first:

- Emergency services from network providers or out-of-network providers
- Urgently needed covered services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our network is temporarily unavailable.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. If you call Member Services before you leave the service area, we can help you receive dialysis while you're away.
- Flu shots and COVID-19 vaccine: as well as hepatitis B vaccines and pneumonia vaccines as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.

Additionally, if you're an American Indian Member, you may get Covered Services from an Indian Health Care Provider of your choice, without requiring a referral from a Network PCP or Prior Authorization.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists who care for patients with cancer.
- Cardiologists who care for patients with heart problems.
- Orthopedists who care for patients with bone, joint, or muscle problems.

Your PCP may give you a referral to see a network specialist or certain other providers when it is medically necessary for you to maintain good health. Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

If you have a health problem that needs special medical care for a long time, you might need a standing referral. Having a standing referral means you can go to the same specialist more than once without getting a referral each time.

For some types of care, your PCP or specialist will need to ask Alameda Alliance Wellness for permission before you get the care. This is called asking for pre-approval or prior authorization. It means the plan must make sure the care is medically necessary (needed).

You must obtain prior authorization from Alameda Alliance Wellness prior to seeking care from an out-of-network. Your PCP is responsible for submitting the request for prior authorization for out-of-network services.

Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests. Alameda Alliance Wellness does not influence the reviewers' decision to deny or approve coverage or services in any way.

For more information about which services require prior authorization, please refer to the Benefits Chart in **Chapter 4, Section D**.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
- If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We'll help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization is needed.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

Out-of-network providers are providers that do not have an agreement to work with Alameda Alliance Wellness. You are entitled to get services from out-of-network providers for emergency services or urgently needed services. You might have to pay for any care you get from out-of-network providers in your service area, except for emergency care, family care, sensitive care, and care pre-approved by Alameda Alliance Wellness. If you need medically necessary health care services that are not available in the network, you might be able to get them from an out-of-network provider for free. Alameda Alliance Wellness may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care. For urgent care inside the Alameda Alliance Wellness service area, you do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

pre-approval (prior authorization) to get urgent care from an out-of-network provider inside the Alameda Alliance Wellness service area. Additionally, dialysis services are covered for End-Stage Renal Disease (ESRD) members who have traveled outside Alameda Alliance Wellness' service area or when the provider is temporarily unavailable or not accessible and aren't able to access contracted ESRD providers.

If you are outside of the Alameda Alliance Wellness service area and need care that is not an emergency or urgent, call your PCP right away. For emergency care, call **911** or go to the nearest emergency room. Alameda Alliance Wellness covers out-of-network emergency care. The Alameda Alliance Wellness has worldwide emergency coverage. Call Member Services for more details at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

If you need medical care that Medicare and/or Medi-Cal requires our plan to cover and the Providers in our network cannot provide this care, you can get this care from an out-of-network Provider. Your PCP is responsible for submitting the request for prior authorization for out-of-network services. You must obtain an authorization from the plan or your PCP's affiliated medical group prior to seeking care from an out-of-network Provider unless you are receiving emergency or urgently needed services. In this situation, you will pay the same as you would pay if you got the care from a network provider.

If you use an out-of-network provider, the provider must accept Medicare and/or Medi-Cal.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Medi-Cal.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

E. Long-term services and supports (LTSS)

LTSS can help you stay at home and avoid a hospital or skilled nursing facility stay. You have access to certain LTSS through our plan, including skilled nursing facility care, Community Based Adult Services (CBAS), and Community Supports. Another type of LTSS, the In-Home Supportive Services program, is available through your county social service agency.

In-Home Supportive Services (IHSS)

- The IHSS Program will help pay for services provided to you so that you can remain safely in your own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.
- The types of services which can be authorized through IHSS are housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired.

If you meet the criteria for any of the LTSS programs, your care coordinator can help you apply to ensure you have the needed care and support at home.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

A PCP referral is not needed to access behavioral health services and there is a "no wrong door" approach to service access, with multiple entry points.

The Plan will coordinate care and the benefit when you access services between the Plan and the county. You may need to consent to the release of information for some types of information to be shared between the Plan and the county.

A service is "medically necessary" or a "medical necessity" when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain.

The Plan and the county follow a mutually agreed upon review process to allow for the timely resolution of clinical and administrative disputes. You may call member services (1.888.88A.DSNP or 1.888.882.3767) for additional questions on review process.

G. Transportation services

G1. Non-Emergency Medical Transportation

You're entitled to non-emergency medical transportation if you have medical needs that don't allow you to use a car, bus, or taxi to your appointments. Non-emergency medical transportation can be provided for covered services such as medical, dental, mental health, substance use, and pharmacy appointments. If you need non-emergency medical transportation, you can talk to your PCP or other provider and ask for it. Your PCP or other provider will decide the best type of transportation to meet your needs. If you need non-emergency medical transportation, they'll prescribe it by completing a form and submitting it to Alameda Alliance Wellness for approval. Depending on your medical need, the approval is good for one year. Your PCP or other provider will reassess your need for non-emergency medical transportation for re-approval every 12 months.

Non-emergency medical transportation is an ambulance, litter van, wheelchair van, or air transport. Alameda Alliance Wellness allows the lowest cost covered transportation mode and most appropriate non-emergency medical transportation for your medical needs when you need a ride to your appointment. For example, if you can physically or medically be transported by a wheelchair van, Alameda Alliance Wellness won't pay for an ambulance. You're only entitled to air transport if your medical condition makes any form of ground transportation impossible.

Non-emergency medical transportation must be used when:

- You physically or medically need it as determined by written authorization from your PCP or other provider because you aren't able to use a bus, taxi, car, or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle, or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent **routine appointments**, call the Alliance Transportation Services at 1.866.791.4158 at least three (3) business days (Monday-Friday) before your appointment. TTY users can call 1.800.735.2929. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

Medical transportation won't be provided if Medicare or Medi-Cal doesn't cover the service. If the appointment type is covered by Medi-Cal, but not through the health plan, Alameda Alliance Wellness will help you schedule your transportation. A list of covered services is in **Chapter 4** of this handbook. Transportation isn't covered outside of the Alameda Alliance Wellness network or service area unless pre-authorized.

G2. Non-medical transportation

- Traveling to and from an appointment for a service authorized by your provider,
or
- Picking up prescriptions and medical supplies.

Alameda Alliance Wellness allows you to use a car, taxi, bus, or other public/private way of getting to your appointment for services authorized by your provider. Alameda Alliance Wellness uses Modivcare to arrange for non-medical transportation. We cover the lowest cost, non-medical transportation type that meets your needs.

Sometimes, you can be reimbursed for rides in a private vehicle that you arrange. Alameda Alliance Wellness must approve this **before** you get the ride, and you must tell us why you can't get a ride in another way, like taking the bus. You can tell us by calling or emailing, or in person. **You can't be reimbursed for driving yourself.**

Mileage reimbursement requires all of the following:

- The driver's license of the driver.
- The vehicle registration of the driver.
- Proof of car insurance for the driver.

H. Covered services in a medical emergency, when urgently needed, or during a disaster

H1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life or to that of your unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license, even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Call Alameda Alliance Wellness Member Services at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. Our Member Services phone number is located on your membership ID card.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

Covered services in a medical emergency

Our plan covers ambulance services in situations when getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

If you need emergency care outside the Alameda Alliance Wellness service area, go to the nearest ER even if it is not in the Alameda Alliance Wellness network. If you go to an ER, ask them to call Alameda Alliance Wellness. You or the hospital that admitted you should call Alameda Alliance Wellness within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, the plan will **not** cover your care.

Medicare does not provide coverage for emergency medical care outside of the United States and its territories. Alameda Alliance Wellness covers emergency services outside the United States with a \$25,000 annual reimbursement limit. Please note that emergency transportation services outside of the United States are not covered. See the Medical Benefits Chart in **Chapter 4, Section D** of this document for more information.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

H2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

We cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances, we cover urgently needed care you get from an out-of-network provider.

For urgent care, call your PCP. If you cannot reach your PCP, call Member Services at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. Or you can call the 24/7 Nurse Advice Line toll-free at 1.888.433.1876 (TTY 711) to learn the level of care that is best for you.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed, even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan doesn't cover urgently needed care that you get outside the United States and its territories.

Our plan covers worldwide emergency services outside the United States and its territories under the following circumstances.

- Services are covered worldwide under the same conditions of medical necessity and appropriateness that would have been applied if the same services were provided within the United States.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

H3. Care during a disaster

If the governor of California, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: www.alamedaalliance.org/alliancewellness.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

I. What if you're billed directly for covered services

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

I1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself**, unless it's covered by another Medi-Cal program outside our plan.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

J. Coverage of health care services in a clinical research study

J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

J2. Payment for services when you participate in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study, as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

J3. More about clinical research studies

You can learn more about joining a clinical research study by reading “Medicare & Clinical Research Studies” on the Medicare website (www.medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

K. How your health care services are covered in a religious non-medical health care institution

K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

K2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's “non-excepted.”

- “Non-excepted” medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- “Excepted” medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Medicare Inpatient Hospital coverage limits apply. Our plan covers days for an inpatient hospital stay when medically necessary. Please refer to the Benefits Chart in **Chapter 4, Section D**.

L. Durable medical equipment (DME)

L1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

L2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information. If you no longer have Medi-Cal, you'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan.

L3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare, we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

L4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above. Medicare and Medi-Cal cover these payments if you're still enrolled in Medicare and Medi-Cal.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Medi-Cal, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You **don't** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Medi-Cal covered services according to the rules set by Medicare and Medi-Cal.
- The services including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care or unless your plan or a network provider gave you a referral. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care. In most cases, your PCP must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a referral. **Chapter 3** of this *Member Handbook* has more information about getting a referral and when you **don't** need one.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (*).
- If your plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.
- If you lose your Medi-Cal benefits, within the three (3) months period of deemed continued eligibility, your Medicare benefits in this plan will continue. However, your Medi-Cal service may not be covered. Contact your county eligibility office or Health Care Options for information about your Medi-Cal eligibility. You can keep your Medicare benefits, but not your Medi-Cal benefits.

All preventive services are free. This apple 🍏 shows the preventive services in the Benefits Chart

F. Benefits covered outside of our plan

We don't cover the following services, but they're available through Medi-Cal fee-for service.

F1. California Community Transitions (CCT)

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who've lived in an inpatient facility for at least 60 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can get transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: www.dhcs.ca.gov/services/ltc/Pages/CCT.

For CCT transition coordination services

Medi-Cal pays for the transition coordination services. You pay nothing for these services.

For services not related to your CCT transition

The provider bills us for your services. Our plan pays for the services provided after your transition. You pay nothing for these services.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

While you get CCT transition coordination services, we pay for services listed in the Benefits Chart in **Section D**.

No change in drug coverage benefit

The CCT program **doesn't** cover drugs. You continue to get your normal drug benefit through our plan. For more information, refer to **Chapter 5** of this *Member Handbook*.

Note: If you need non-CCT transition care, call your care coordinator to arrange the services. Non-CCT transition care is care **not** related to your transition from an institution or facility.

F2. Medi-Cal Dental

Certain dental services are available through Medi-Cal Dental. More information is on the SmileCalifornia.org website. Medi-Cal Dental includes but isn't limited to, services such as:

The call is free. Medi-Cal Dental representatives are available to assist you from 8:00 a.m. to 5:00 p.m., Monday through Friday. You can also visit the website at smilecalifornia.org/ for more information.

Our plan offers additional dental services. Refer to the Benefits Chart in **Section D** for more information.

F3. Hospice Care

You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Benefits Chart in **Section D** for more information about what we pay for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or Medicare Part B that relate to your terminal prognosis

For services covered by Medicare Part A or Medicare Part B that are not related to your terminal prognosis

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

- Drugs are never covered by both hospice and our plan at the same time. For more information, refer to Chapter 5 of your Member Handbook.

Note: If you have a serious illness, you may be eligible for palliative care, which provides team-based patient and family-centered care to improve your quality of life. You may receive palliative care at the same time as curative/regular care. Please see Palliative Care section above for more information.

Note: If you need non-hospice care, call your care coordinator to arrange the services. Non-hospice care is care not related to your terminal prognosis.

F4. In-Home Supportive Services (IHSS)

- The IHSS Program will help pay enrolled care providers for services provided to you so that you can remain safely in your own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.
- To receive services, an assessment is conducted to determine which types of services may be authorized for each participant based on their needs. The types of services which can be authorized through IHSS are housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired.
- Your care coordinator can help you apply for IHSS with your county social service agency. You can also contact an IHSS agency located on the county agency website at <https://www.dhcs.ca.gov/services/ltc/Pages/List-of-Approved-CCAs.aspx>.

F5. 1915(c) Home and Community Based Services (HCBS) Waiver Programs

Assisted Living Waiver (ALW)

- The Assisted Living Waiver (ALW) offers Medi-Cal eligible beneficiaries the choice of residing in an assisted living setting as an alternative to long-term placement in a nursing facility. The goal of the ALW is to facilitate nursing facility transition back into a homelike and community setting or prevent skilled nursing admissions for beneficiaries with an imminent need for nursing facility placement.
- Members who are enrolled in ALW can remain enrolled in ALW while also receiving benefits provided by our plan. Our plan works with your ALW Care Coordination Agency to coordinate the services you receive.

HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)

California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities

- There are two 1915(c) waivers, the HCBS-DD Waiver and SDP Waiver, that provide services to people who have been diagnosed with a developmental disability that begins before the individual's 18th birthday and is expected to continue indefinitely. Both waivers are a way to fund certain services that allow persons with developmental disabilities to live at home or in the community rather than residing in a licensed health facility. Costs for these services are funded jointly by the federal government's Medicaid program and the State of California. Your care coordinator can help connect you to DD Waiver services.

Home and Community-Based Alternative (HCBA) Waiver

- The HCBA Waiver provides care management services to persons at risk for nursing home or institutional placement. The care management services are provided by a multidisciplinary Care Management Team comprised of a nurse and social worker. The team coordinates Waiver and State Plan services (such as medical, behavioral health, In-Home Supportive Services, etc.), and arranges for other long-term services and supports available in the local community. Care management and Waiver services are provided in the participant's community-based residence. This residence can be privately owned, secured through a tenant lease arrangement, or the residence of a participant's family member.
- Members who are enrolled in the HCBA Waiver can remain enrolled in the HCBA Waiver while also receiving benefits provided by our plan. Our plan works with your HCBA waiver agency to coordinate the services you receive.
- Your care coordinator can help you apply for the HCBA. Call the local HCBA agency Centers for Elders' Independence at 1.510.318.7375.

Medi-Cal Waiver Program (MCWP)

- The Medi-Cal Waiver Program (MCWP) provides comprehensive case management and direct care services to persons living with HIV as an alternative to nursing facility care or hospitalization. Case management is a participant centered, team approach consisting of a registered nurse and social work case manager. Case managers work with the participant and primary care provider(s), family, caregiver(s), and other service providers, to assess care needs to keep the participant in their home and community.
- The goals of the MCWP are to: (1) provide home and community-based services for persons with HIV who may otherwise require institutional services; (2) assist participants

with HIV health management; (3) improve access to social and behavioral health support and (4) coordinate service providers and eliminate duplication of services.

- Members who are enrolled in the MCWP Waiver can remain enrolled in the MCWP Waiver while also receiving benefits provided by our plan. Our plan works with your MCWP waiver agency to coordinate the services you receive.
- Your care coordinator can help you apply for the MCWP. Call the local MCWP agency: Primary Care at Home, Inc. at 1.510.822.2588.

Multipurpose Senior Services Program (MSSP)

- The Multipurpose Senior Services Program (MSSP) provides both social and health care management services to assist individuals remain in their own homes and communities.
- While most of the program participants also receive In-Home Supportive Services, MSSP provides on-going care coordination, links participants to other needed community services and resources, coordinates with health care providers, and purchases some needed services that aren't otherwise available to prevent or delay institutionalization. The total annual combined cost of care management and other services must be lower than the cost of receiving care in a skilled nursing facility.
- A team of health and social service professionals provides each MSSP participant with a complete health and psychosocial assessment to determine needed services. The team then works with the MSSP participant, their physician, family, and others to develop an individualized care plan. Services include:
 - care management
 - adult day care
 - minor home repair/maintenance
 - supplemental in-home chore, personal care, and protective supervision services
 - respite services
 - transportation services
 - counseling and therapeutic services
 - meal services
 - communication services
- Members who are enrolled in the MSSP Waiver can remain enrolled in the MSSP Waiver while also receiving benefits provided by our plan. Our plan works with your MSSP provider to coordinate the services you receive.
- Your care coordinator can help you apply for MSSP. Call the local MSSP agency California Department of Aging at 1.510.238.3762 or City of Fremont at 1.510.574.2041.

The Plan offers care coordination to assist you in accessing behavioral health care. Please call Member Services at 1.888.88A.DSNP (1.888.882.3767) to request assistance in locating a behavioral health provider.

A PCP referral is not needed to access behavioral health services and there is a “no wrong door” approach to service access, with multiple entry points.

The Plan will coordinate care and the benefit when you access services between the Plan and the county. You may need to consent to the release of information for some types of information to be shared between the Plan and the county.

A service is “medically necessary” or a “medical necessity” when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain.

The Plan and the county follow a mutually agreed upon review process to allow for the timely resolution of clinical and administrative disputes.

G. Benefits not covered by our plan, Medicare, or Medi-Cal

This section tells you about benefits excluded by our plan. “Excluded” means that we don’t pay for these benefits. Medicare and Medi-Cal don’t pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don’t pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won’t pay for the services. If you think that our plan should pay for a service that isn’t covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn’t cover the following items and services:

- services considered not “reasonable and medically necessary,” according to Medicare and Medi-Cal, unless listed as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren’t generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures
- naturopath services (the use of natural or alternative treatments)
- services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we'll reimburse the veteran for the difference. You're still responsible for your cost-sharing amounts.
- in vitro fertilization (IVF) including, but not limited to infertility studies or procedures to diagnose or treat infertility
- fertility preservation

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy by mail-order. They include drugs covered under Medicare Part D and Medi-Cal. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this Member Handbook.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D** "If you're in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medi-Cal lists.

You generally must use a network pharmacy to fill your prescription. (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the “*Drug List*” for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.
- Please also note that the request to cover your prescribed drug will be evaluated under both Medicare and Medi-Cal standards.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter).

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access Medi-Cal Rx covered drugs.

If you don't have your Member ID Card or BIC with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact Member Services or your care coordinator.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services your care coordinator.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Indian Health Care Provider (IHCP) Pharmacies. American Indian and Alaska Native Members have access to pharmacies at an Indian Health Care Provider (IHCP) to the extent they have an enrolled retail pharmacy. If you're not American Indian or Alaska Native, you may still receive services from a retail pharmacy at an IHCP if you are assigned to the clinic or for an emergency.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)
- To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs available through our plan's mail-order service are marked as mail-order drugs in our *Drug List*. Drugs **not** available through our plan's mail-order service are marked with 'NMO' in our *Drug List*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Our plan's mail-order service allows you to order at least a 30-day supply of the drug and no more than a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get information about filling your prescriptions by mail, contact:

Walgreens Mail Service
8350 S River Parkway
Tempe, AZ 85284
NPI: 1164437406
Tel: 1.800.345.1985

Usually, a mail-order prescription arrives within 14 days. If a member's prescription is delayed, the mail order pharmacy notifies patients of delays through voice (automated or live phone call) or written (e-mail, text, or letter) communication methods. In the event a patient is at risk of experiencing a gap in therapy, the pharmacy will either expedite shipping at no cost to the patient or process a short-term supply at a local pharmacy location at no cost to the patient. Please call your care coordinator or Member Services if the mail-order prescription is delayed.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before you're billed and it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 14 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling Walgreens Mail Service LLC at 1.800.345.1985.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call your care coordinator or Member Services for more information. For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with your care coordinator or Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If the covered Part D drug is related to care for a medical emergency.
- If a particular covered Part D drug (for example, an orphan drug or other specialty pharmaceutical typically shipped directly from manufacturers or special vendors) is not regularly stocked at accessible network retail or mail-order pharmacies.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- If a covered Part D drug is dispensed by an institution-based pharmacy while he or she is a patient in an emergency department, provider-based clinic, outpatient surgery, or other outpatient setting.
- You are traveling and run out of or lose your covered Part D drug(s) and cannot access a network pharmacy.
- During any Federal disaster or other public health emergency in which an enrollee is evacuated or otherwise displaced from their place of residence.
- In emergency situations in which an enrollee is not able to use a network pharmacy, we will pay for a one-time 30-day supply for generic drugs. For brand drugs, we will pay for a one-time 30-day supply. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

If you pay the full cost for your prescription that may be covered by Medi-Cal Rx, you may be able to be reimbursed by the pharmacy once Medi-Cal Rx pays for the prescription. Alternatively, you may ask Medi-Cal Rx to pay you back by submitting the “Medi-Cal Out-of-Pocket Expense Reimbursement (Conlan)” claim. More information can be found on the Medi-Cal Rx website: medi-calrx.dhcs.ca.gov/home/.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D.

Most of the drugs you get from a pharmacy are covered by your plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1.800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting your prescriptions through Medi-Cal Rx.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name drugs or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at www.alamedaalliance.org/alliancewellness. The *Drug List* on our website is always the most current one.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Drugs that are not covered by Part D may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](https://www.medi-calrx.dhcs.ca.gov/)) for more information.
- Use our “Real Time Benefit Tool” at www.alamedaalliance.org/alliancewellness to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call your care coordinator or Member Services.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs are not on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.

In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called “off-label use.” Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Medi-Cal can't cover the types of drugs listed below.

- Drugs used to promote fertility

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- Drugs used for the relief of cough or cold symptoms*
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride* preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss or weight gain*
- Outpatient drugs made by a company that says you must have tests or services done only by them

*Select products may be covered by Medi-Cal. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand name drug or original biological products when a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. If there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give you the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there is an available generic version.
- However, if your provider told us the medical reason that the generic drug or interchangeable biosimilar won't work for you, then we cover the brand name drug.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at www.alamedaalliance.org/alliancewellness for more information about prior authorization.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A **doesn't** work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at www.alamedaalliance.org/alliancewellness for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at www.alamedaalliance.org/alliancewellness. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our *Drug List* **or**
 - was never on our *Drug List* **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at www.alamedaalliance.org/alliancewellness or
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen immediately. For example:

A new generic drug becomes available. Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.

Removing unsafe drugs and other drugs that are off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking, increase what you pay for the drug, or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you about these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Member Handbook*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for those medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medi-Cal Rx, **and**

Because you’re eligible for Medi-Cal, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We have sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the “*Drug List*.” It tells you:
 - Which drugs we pay for
 - If there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at www.alamedaalliance.org/alliancewellness.
 - Most of the drugs you get from a pharmacy are covered by Alameda Alliance Wellness. Other drugs, such as some over-the-counter (OTC)

If you have questions, please call Alameda Alliance Wellness at

1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1.800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

- **Chapter 5** of this *Member Handbook*.
 - Explains how to get your outpatient drugs through our plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn't cover.
 - When you use the plan's "Real Time Benefit Tool" to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you're expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits* (EOB). We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

You can ask us to pay you back for our share of the cost of the drug. You can submit copies of your receipts to the mailing address:

Alameda Alliance Wellness
Attn: Member Services
1240 South Loop Road
Alameda, CA 94502

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, an AIDS drug assistance program (ADAP), the

When you get an EOB in the mail, make sure it's complete and correct.

C. Drug Payment Stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

| Stage 1: Initial Coverage Stage | Stage 2: Catastrophic Coverage Stage |
|---|--|
| <p>During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin in this stage when you fill your first prescription of the year.</p> | <p>During this stage, we pay all of the costs of your drugs through December 31, 2026.</p> <p>You begin this stage when you've paid a certain amount of out-of-pocket costs.</p> |

C1. Our plan has (1) one cost sharing tier

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our *Drug List* is in one of one (1) cost-sharing tiers. To find the cost-sharing tier for your drugs, refer to our *Drug List*.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.
- Our plan's mail-order pharmacy.

Refer to **Chapter 9** of this *Member Handbook* to learn about how to file an appeal if you're told a drug won't be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of this *Member Handbook* and our *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply. It costs you the same as a one-month supply.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our *Provider and Pharmacy Directory*.

C4. What you pay

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

Most of the drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. D. Stage 1: The Initial Coverage Stage

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

- Tier 1 drugs have the lowest copay. The copay for generic drugs is from \$0 to \$5.10, depending on your income. The copay for brand and other drugs is from \$0 to \$12.65, depending on your income.

D1. Your pharmacy choices

How much you pay for a drug depends on if you get the drug from:

- A network retail pharmacy **or**

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,100. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

We offer additional drugs covered by Medi-Cal Rx that aren't normally covered in a Medicare Drug Plan. Payments made for these drugs don't count toward your out-of-pocket costs.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the \$2,100 limit. Many people don't reach it in a year.

E. Stage 2: The Catastrophic Coverage Stage

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

When you reach the out-of-pocket limit of \$2,100 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
 - Better plan when to refill your drugs,
 - Coordinate refills with other drugs you take, **and**
 - Take fewer trips to the pharmacy.

G. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of **the vaccine itself**.
2. The second part is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

G1. What you need to know before you get a vaccine

We recommend that you call Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

G2. What you pay for a vaccine covered by Medicare Part D

What you pay for a vaccine depends on the type of vaccine (what you're being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's *Drug List*. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the **Advisory Committee on Immunization Practices (ACIP)** then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccine.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - For most adult Part D vaccines, you'll pay nothing.
 - For other Part D vaccines, you pay a copay for the vaccine.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
 - You pay a copay to the doctor for the vaccine.
 - Our plan pays for the cost of giving you the shot.
 - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay a copay for the vaccine.
3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
 - For most adult Part D vaccines, you'll pay nothing for the vaccine itself.
 - For other Part D vaccines, you pay a copay for the vaccine.
 - Our plan pays for the cost of giving you the shot.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

A. Asking us to pay for your services or drugs

You shouldn't get a bill for in-network services or drugs. Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow Alameda Alliance Wellness providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to **Chapter 7, Section B**.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
- If you paid for Medi-Cal services you already received, you may qualify to be reimbursed (paid back) if you meet all of the following conditions:
 - The service you received is a Medi-Cal covered service that we're responsible for paying. We won't reimburse you for a service that isn't covered by Alameda Alliance Wellness.
 - You received the covered service after you became an eligible Alameda Alliance Wellness member.
 - You ask to be paid back within one year from the date you received the covered service.
 - You provide proof that you paid for the covered service, such as a detailed receipt from the provider.
 - You received the covered service from a Medi-Cal enrolled provider in the Alameda Alliance Wellness network. You don't need to meet this condition if you received emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

- If the covered service normally requires pre-approval (prior authorization), you need to provide proof from the provider that shows a medical need for the covered service.
- Alameda Alliance Wellness will tell you if they'll reimburse you in a letter called a Notice of Action. If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, Alameda Alliance Wellness will pay you back for the full amount you paid. We'll reimburse you within 45 working days of receipt of the claim. If the provider is enrolled in Medi-Cal but isn't in our network and refuses to pay you back, Alameda Alliance Wellness will pay you back, but only up to the amount that FFS Medi-Cal would pay. Alameda Alliance Wellness will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval. If you don't meet one of the above conditions, we won't pay you back.
- We won't pay you back if:
 - You asked for and received services that aren't covered by Medi-Cal, such as cosmetic services.
 - The service isn't a covered service for Alameda Alliance Wellness.
 - You went to a doctor who doesn't take Medi-Cal and you signed a form that said you want to be seen anyway and you'll pay for the services yourself.
- If we don't cover the services or drugs, we'll tell you.

Contact Member Services or your care coordinator if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.
 - If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you receive any services or prescriptions; however, sometimes network providers make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Member Services** or your care coordinator at the number at the bottom of this page **if you get any bills.**

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full Medicare Part D prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

you back for the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It’s a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help. We may reimburse members for out-of-pocket expenses for covered pharmacy prescriptions within one (1) year from date of service. Please send a letter requesting reimbursement accompanied by a detailed pharmacy receipt, which includes the following:

- Patient name
- Date of service
- Name of medication
- National Drug Code number
- Prescription number
- Quantity
- Days' supply
- Dollar amount of request

Note: Please do not submit only a cash register receipt for reimbursement because it does not contain enough information to evaluate for reimbursement.

- By law, prescription medications filled outside of the United States are ineligible for reimbursement under the Medicare Part D program.

Mail your request for drug payment together with any bills or receipts to this address:

PerformRx/Alameda Alliance Wellness
PO Box 516
Essington, PA 19029

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay for it. If you already paid for the service or drug, we'll mail you a check for what you paid. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered.

Chapter 5 of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don’t agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We provide you with a written notice that advises you about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

Members who may consent to receive sensitive services aren't required to obtain any other member's authorization to receive sensitive services or to submit a claim for sensitive services. Alameda Alliance Wellness will direct communications regarding sensitive services to a member's alternate designated mailing address, email address, or telephone number or, in the absence of a designation, in the name of the member at the address or telephone number on file. C1. How we protect your PHI

We take steps to ensure that no unauthorized individuals' access or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We may release PHI if ordered by a court, but only if it is allowed by California law.
- We must give Medicare your PHI. If Medicare releases your PHI for research or other uses, they do it according to federal laws. If you have dual Medicare and Medi-Cal coverage, to better serve you and improve your health care, we may give Medi-Cal your health information. If Medi-Cal releases or uses your information, it will be done according to federal laws. Where required by law, when our business partners work with us, they must also protect the privacy of any PHI we share with them and are not allowed to give PHI to others except as allowable by law, and this notice.

When sharing information with Medi-Cal for care coordination, program oversight, or regulatory purposes, you also have the right to ask us not to share certain information and to request a record of when and with whom we've shared your PHI. For more details about your rights and our responsibilities, please refer to your Notice of Privacy Practices.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we'll not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people can't make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929. We are open seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedalliance.org/alliancewellness.

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.
- Learn about changes to advance directive laws. Alameda Alliance Wellness will tell you about changes to the state law no later than 90 days after the change.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with Commence Health (California's Quality Improvement Organization) at 1.877.588.1123 (TTY: 711).

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.

- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Community-Based Adult Services (CBAS) and Nursing Facility (NF) services.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you have a problem with your care, you can call the Medicare Medi-Cal Ombudsman Program at 1-888-452-8609 for help.** This chapter explains different options you have for different problems and complaints, but you can always call the Ombudsman Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** of your *Member Handbook*.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the Health Insurance Counseling and Advocacy Program

You can call the Health Insurance Counseling and Advocacy Program (HICAP). HICAP counselors can answer your questions and help you understand what to do about your problem. HICAP isn’t connected with us or with any insurance company or health plan. HICAP has

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

trained counselors in every county, and services are free. The HICAP phone number is 1-800-434-0222.

Help from the Medicare Medi-Cal Ombudsman Program

You can call the Medicare Medi-Cal Ombudsman Program and speak with an advocate about your health coverage questions. They may be able to offer free legal help. The Ombudsman Program isn't connected with us or with any insurance company or health plan. Their phone number is 1-888-452-8609, and their website is www.healthconsumer.org.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help from the California Department of Health Care Services

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can help. They can help if you have problems joining, changing, or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, between 8:00 a.m. and 5:00 p.m. at 1-888-452-8609.

Help from the California Department of Managed Health Care

Contact the California Department of Managed Health Care (DMHC) for free help. The DMHC is responsible for overseeing health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891. You can also visit DMHC's website at www.dmhc.ca.gov.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1.888.88A.DSNP (1.888.882.3767)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website www.dmh.ca.gov has complaint forms, IMR application forms and instructions online.

C. Understanding Medicare and Medi-Cal complaints and appeals in our plan

You have Medicare and Medi-Cal. Information in this chapter applies to all your Medicare and Medi-Cal managed care benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medi-Cal processes.

Sometimes Medicare and Medi-Cal processes can't be combined. In those situations, you use one process for a Medicare benefit and another process for a Medi-Cal benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

| Is your problem or concern about your benefits or coverage? | |
|--|--|
| This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems about payment for medical care. | |
| <p>Yes.</p> <p>My problem is about benefits or coverage.</p> <p>Refer to Section E, “Coverage decisions and appeals.”</p> | <p>No.</p> <p>My problem isn't about benefits or coverage.</p> <p>Refer to Section K, “How to make a complaint.”</p> |

E. Coverage decisions and appeals

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Part B drugs as medical care.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision when we review a request for service or a claim. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Medi-Cal. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

In most cases, you must start your appeal at Level 1. If your health problem is urgent or involves an immediate and serious threat to your health, or if you're in severe pain and need a faster decision, you may ask for an IMR Medical Review from the Department of Managed Health Care at www.dmhca.gov. Refer to **Section F4** for more information.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter (Refer to **Section F2**), you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- **Medicare Medi-Cal Ombudsman Program at 1-855-501-3077.**
- **Health Insurance Counseling and Advocacy Program (HICAP)** at 1-800-434-0222.
- **The Help Center at the Department of Managed Health Care (DMHC)** for free help. The DMHC helps people with appeals regarding Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891. You can also visit DMHC's website at www.dmhca.gov. While the DMHC can help people in Managed Medi-Cal plans, it can't help people in Medicare plans only and in the following County Organized Health Systems (COHS): Partnership Health Plan, Gold Coast Health Plan, CenCal Health, Central California Alliance for Health, and CalOptima. The federal government regulates Medicare, plans, and the Department of Health Care Services regulates COHS plans.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your "representative" and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren't required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
 - Ask for a legal aid attorney from the Medicare Medi-Cal Ombudsman Program at 1-855-501-3077.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page. Refer to Chapter 2, Section C for more information.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care. For information about requesting a longer hospital stay, please refer to **Section H**.

This section is about your benefits for medical care that’s described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the following situations:

1. You think we cover medical care you need but aren’t getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn’t approve the medical care your doctor or other health care provider wants

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

6. You're experiencing delays in care or you can't find a doctor.

What you can do: You can file a complaint. Refer to **Section K2**.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- calling: 1.855.891.9161, TTY: 1.800.735.2929.
- faxing: 1.855.891.7174.
- writing: Alameda Alliance Wellness
1240 South Loop Road
Alameda, CA 94502.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer within:

- **5 business days** after we get your request **for a medical service or item that’s subject to our prior authorization rules.**
- **5 business days**, and no later than **14 calendar days** after we get your request **for all other medical services or items.**
- **72 hours** after we get your request for a **Medicare Part B drug.**

Fast coverage decision

The legal term for fast coverage decision is **expedited determination.**

When you ask us to make a coverage decision about your medical care that requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we’ll give you an answer about a:

- **72 hours** after we get your request **for a medical service or item.**
- **24 hours** after we get your request **for a Medicare Part B drug.**

To get a fast coverage decision, you must meet two requirements:

- You’re asking for coverage for medical items and/or services that you **didn’t get.** You can’t ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast coverage decision.

- If we decide that your health doesn’t meet the requirements for a fast coverage decision, we send you a letter that says so, and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you’ll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances, we may dismiss your request for a coverage decision, which means we won’t review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn’t legally authorized to do so,
or
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we’ll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your authorized representative must contact us. Call us at 1.888.88A.DSNP (1.888.882.3767) TTY users can call 1.800.735.2929 and the California Relay Line at 711.

Ask for a standard appeal or a fast appeal in writing or by calling us at 1.888-88A.DSNP (1.888.882.3767) TTY users can call 1.800.735.2929 and the California Relay Line at 711.

- If your doctor or other prescriber asks to continue a service or item you’re already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for "fast appeal" is "**expedited reconsideration.**"

- If you appeal a decision we made about coverage for care, you and/or your doctor can request a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast appeal.

- If we decide that your health doesn't meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we're stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you'll get the service or item with no changes while your Level 1 appeal is pending.
 - You'll also get all other services or items (that aren't the subject of your appeal) with no changes.
 - If you don't appeal before these dates, then your service or item won't be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal, or sooner if your health requires a quicker response**. We'll give you our answer sooner if your health requires it.
 - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – State Hearing with the state yourself as soon as the time is up. In California a State Hearing is called State Hearing. To file a State Hearing, refer to the State Hearing section in this Member Handbook., as applicable.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal, or sooner if your health requires it.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
 - If we don't give you an answer by the deadline, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – State Hearing with the state yourself as soon as the time is up. In California a State Hearing is called State Hearing. To file a State Hearing, refer to the State Hearing section in this Member Handbook, as applicable.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days of the date we got your appeal request, or as fast as your health condition requires and within 72 hours of the date we change our decision, or within 7 calendar days of the date we got your appeal if your request is for a Medicare Part B drug.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Medi-Cal service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we'll send you a letter. This letter tells you if Medicare, Medi-Cal, or both programs usually cover the service or item.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- If your problem is about a service or item that **Medi-Cal** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Medi-Cal** may cover, you automatically get a Level 2 Appeal with the IRO. In addition to the automatic Level 2 Appeal, you can also ask for a State Hearing and an Independent Medical Review with the state. However, an Independent Medical Review isn't available if you have already presented evidence in a State Hearing.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Medi-Cal, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.

If the IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service,** we must promptly implement the decision:
 - Authorize the medical care coverage **within 72 hours, or**
 - Provide the service within **5 working days** after we get the IRO's decision for **standard requests, or**
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests.**
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**
 - **Within 72 hours** after we get the IRO's decision for **standard requests, or**
 - **Within 24 hours** from the date we get the IRO's decision for **expedited requests.**
- **If the IRO says No to part or all of your appeal,** it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.

- An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medi-Cal usually covers

There are two ways to make a Level 2 appeal for Medi-Cal services and items: (1) Filing a complaint or Independent Medical Review or (2) State Hearing.

(1) Department of Managed Health Care (DMHC)

You can file a complaint with or apply for an Independent Medical Review (IMR) from the Help Center at the DMHC. By filing a complaint, the DMHC will review our decision. The DMHC will do their own investigation of your complaint or decide whether the case qualifies for IMR. An IMR may be available for any Medi-Cal covered service or item that's medical in nature. An IMR is a review of your case by experts who aren't part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it's not medically necessary.
- Won't cover an experimental or investigational Medi-Cal treatment for a serious medical condition.
- Disputes whether a surgical service or procedure was cosmetic or reconstructive in nature.
- Won't pay for emergency or urgent Medi-Cal services that you already received.
- Hasn't resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours, or sooner, if your health requires it, for a fast appeal.

In most cases, you must file an appeal with us before requesting an IMR. Refer to **Section F3** for information about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

NOTE: If your provider filed an appeal for you, but we don't get your Appointment of Representative form, you'll need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care unless your appeal involves an imminent and

serious threat to your health, including but not limited to, severe pain, potential loss of life, limb, or major bodily function.

You may request an IMR and a State Hearing, but you aren't allowed to go to IMR if you have already presented evidence in a State Hearing or had a State Hearing on the same issue.

If your treatment was denied because it was experimental or investigational, you don't have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you're in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months, or you didn't get adequate notice from us of the IMR process.

To file a complaint or ask for an IMR:

- Fill out the IMR/Complaint Form available at:
www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center can't return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at
www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- Submit the IMR/Complaint Form and any attachments to the DMHC:
Submit online: <https://wpso.dmhc.ca.gov/imrcomplaint/?c=1&lang=en>

Sacramento, CA 95814-2725
FAX: 916-255-5241

Within 7 days, DMHC will review your application and send you an acknowledgement of receipt letter. If DMHC determines the case qualifies for IMR, then an IMR decision will be made within 30 days after the receipt of all required documentation.

If your case is urgent and you qualify for IMR, an IMR decision will usually be made within 7 days after the receipt of all required documentation.

If you're not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC doesn't receive all of the medical records needed from you or your treating doctor. If you're using a doctor who isn't in your health plan's network, it's important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case isn't eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30 calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.

(2) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we won't approve, or we won't continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the "Appeal Decision Letter" notice is mailed to you.

NOTE: If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read "Will my benefits continue during Level 2 appeals" on page 209 for more information.

There are two ways to ask for a State Hearing:

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

- To the county welfare department at the address shown on the notice.
- To the California Department of Social Services:

State Hearings Division
P.O. Box 944243, Mail Station 9-17-433
Sacramento, California 94244-2430

- To the State Hearings Division at fax number 916-309-3487 or toll-free at 1-833-281-0903.
2. You can call the California Department of Social Services at 1-800-743-8525. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

The State Hearings Division gives you their decision in writing and explain the reasons.

- If the State Hearings Division says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the State Hearings Division says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or State Hearing decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the State Hearings Division describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for *drug categories that require a copay*.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you get a bill that's more than your copay for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send your provider the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request. Your provider will then send the payment to you.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you didn't follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If our answer to your appeal is **No** and Medi-Cal usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medi-Cal may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medi-Cal follow the process in **Section E**.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - Cover a Medicare Part D drug that isn't on our plan's Drug List or
 - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's Drug List but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a "**coverage determination**."

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?

| | | | |
|--|--|--|--|
| <p>You need a drug that isn't on our Drug List or need us to set aside a rule or restriction on a drug we cover.</p> <p>You can ask us to make an exception. (This is a type of coverage decision.)</p> <p>Start with Section G2, then refer to Sections G3 and G4.</p> | <p>You want us to cover a drug on our Drug List, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.</p> <p>You can ask us for a coverage decision.</p> <p>Refer to Section G4.</p> | <p>You want to ask us to pay you back for a drug you already got and paid for.</p> <p>You can ask us to pay you back. (This is a type of coverage decision.)</p> <p>Refer to Section G4.</p> | <p>We told you that we won't cover or pay for a drug in the way that you want.</p> <p>You can make an appeal. (This means you ask us to reconsider.)</p> <p>Refer to Section G5.</p> |
|--|--|--|--|

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a **"formulary exception."**

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that's not on our *Drug List*, you pay the copay that applies to brand name drugs **or** generic drugs.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- If we agree to an exception for you and set aside a restriction, you can ask for an exception to the copay amount you're required to pay.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally **don't** approve your exception request. If you ask us for a tiering exception, we generally **don't** approve your exception request unless all alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say Yes or No to your request.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

A “fast coverage decision” is called an “**expedited coverage determination.**”

You can get a fast coverage decision if:

- It’s for a drug you didn’t get. You can’t get a fast coverage decision if you’re asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we’ll review your request under the fast coverage decision timeline. We’ll send you a letter with this information.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we’ll decide if you get a fast coverage decision.
- If we decide that your medical condition doesn’t meet the requirements for a fast coverage decision, we’ll use the standard deadlines instead.
 - We send you a letter that tells you we’ll use the standard deadline. The letter also tells you how to make an appeal about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor’s supporting statement. We give you our answer sooner if your health requires it.
- If we don’t meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor’s supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.

reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the “Independent Review Organization” (IRO) is the “**Independent Review Entity**”, sometimes called the “**IRE**”.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.** If you need help requesting a free copy of your case file, call 1.888.466.2219.
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn’t get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

Notwithstanding the appeals discussed in this **Section H**, you may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to **Section F4** to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Visit www.cms.gov/medicare/forms-notice/beneficiary-notice-initiative/ffs-ma-im.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In California, the QIO is Commence Health. Call them at 1.877.588.1123 (TTY: 711). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in

Chapter 2.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.
- Because hospital stays are covered by both Medicare and Medi-Cal, if the Quality Improvement Organization won't hear your request to continue your hospital stay, or you believe that your situation is urgent, involves an immediate and serious threat to your health, or you're in severe pain, you may also file a

complaint with or ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to **Section F4** to learn how to file a complaint and ask the DMHC for an Independent Medical Review.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that’s the right discharge date that’s medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227). (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Within one full day after getting all of the information it needs, the QIO will give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We’ll provide your covered inpatient hospital services for as long as the services are medically necessary.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

For more information, visit www.alamedaalliance.org/alliancewellness.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1.877.588.1123 (TTY: 711).

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We are open seven (7) days a week, 8 am – 8 pm. The call is free.

- You may also file a complaint with or ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to **Section E4** to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If

Your deadline for contacting this organization

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
 - If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.

- If we decide **to appeal** the decision, we'll tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

J2. Additional Medi-Cal appeals

You also have other appeal rights if your appeal is about services or items that Medi-Cal usually covers. The letter you get from the State Hearings Division will tell you what to do if you want to continue the appeals process.

J3. Appeal Levels 3, 4 and 5 for Medicare Part D Drug Requests

This section may be right for you if you made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. The written response you get to your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal:

- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

- If you decide **to accept** the decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medi-Cal,

- you have some choices to end your membership with our plan any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Medi-Cal or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

D. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

If you have questions, please call Alameda Alliance Wellness at 1.888.88A.DSNP (1.888.882.3767). TTY users can call 1.800.735.2929.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Medi-Cal is the payer of last resort.

Medi-Cal members must utilize all other health coverage (OHC) prior to Medi-Cal when the same service is available under your health coverage since Medi-Cal is the payer of last resort. This means that in most cases, Medi-Cal will be the secondary payer to the Medicare OHC, covering allowable costs not paid by our plan or other OHC up to the Medi-Cal rate.

E. Notice about Medi-Cal estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-For-Service and managed care premiums/capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment can't exceed the value of a member's probated estate.

To learn more, go to the Department of Health Care Services' estate recovery website at www.dhcs.ca.gov/er or call 1-916-650-0590.

Brand name drug: A drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the *List of Covered Drugs* (also known as the *Drug List*) is in one (1) cost-sharing tier. In general, the higher the cost-sharing tier, the higher your cost for the drug.

The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

Organization determinations are called “coverage decisions”. **Chapter 9** of this *Member Handbook* explains coverage decisions.
