

Important Update: Long-Term Care Benefit Carve-In

At Alameda Alliance for Health (Alliance), we value our dedicated provider partner community, and we have an important update that we would like to share with you.

Starting on Sunday, January 1st, 2023, the long-term care (LTC) benefit will be administered by the Alliance as a part of the statewide California Advancing and Innovating Medi-Cal (CalAIM) efforts to standardize and reduce complexity and county-to-county differences across the state.

Below is a breakdown of the LTC benefit administration change:

Current State

The Alliance covers LTC costs in a nursing home for the month of admission and the following month. After this designated period, the member is transitioned to Medi-Cal fee-for-service (FFS).

Effective Sunday, January 1st, 2023

The Alliance will coordinate and cover the cost of care in a nursing home, and the member will no longer transition to FFS. On Sunday, January 1st, 2023, Alameda County residents enrolled in Medi-Cal FFS and residing in a nursing facility will automatically be transitioned to the Alliance.

For more information about the LTC carve-in, please refer to the Department of Health Care Services website at www.dhcs.ca.gov/provgovpart/Pages/Long-Term-Care-Carve-In-Transition.aspx.

Thank you for your continued partnership and for providing high-quality care to our members and the community.
