Important Announcement: 2026-2027 Doula Scholarship Program

At Alameda Alliance for Health (Alliance), we value our dedicated provider partner community. The Alliance is excited to announce the continuation of our Doula Scholarship Program.

The Alliance is committed to growing our network of talented doulas and increasing member access to essential birth support services. This scholarship program is intended to offset costs related to Medi-Cal Provider Application and Validation for Enrollment (PAVE), contracting and credentialing with the Alliance, and the administrative and operational support required to be a doula.

Scholarships of up to $2,000 are available for local doula providers who wish to join the Alliance network.

The doula scholarship funds can be used to:

- Assist with administrative and operational expenses.
- Cover costs for Medi-Cal Provider Application and Validation for Enrollment (PAVE).
- Fund administrative expenses related to contracting and credentialing with the Alliance.
- Support continuing education and training.

To learn more or to apply, please complete the online application and submit supporting documentation by visiting **bit.ly/478V0RJ**.

Applications for scholarships will be accepted starting **Monday, November 2, 2026**, and will be accepted on an ongoing basis until **Friday, January 8, 2027**, or until funds are exhausted, whichever comes first.
