- Agregar o cambiar la cantidad que puede obtener de un medicamento (llamados límites de cantidad).
- Agregar o cambiar restricciones de terapia escalonada sobre un medicamento. (La terapia escalonada significa que debe probar un medicamento antes de que cubramos otro).

Para obtener más información sobre estas reglas sobre medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto al **inicio** del año, generalmente no eliminaremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año** a menos que:

- salga al mercado un medicamento nuevo y más barato que sea tan eficaz como el medicamento de la *Lista de medicamentos* actual, o
- nos enteremos de que un medicamento no es seguro, o
- un medicamento salga del mercado.

Las preguntas B3 y B6 que vienen a continuación tienen más información sobre lo que sucede cuando cambia la *Lista de medicamentos*.

- Siempre puede consultar la *Lista de medicamentos* actualizada de Alameda Alliance Wellness en línea en **www.alamedaalliance.org/alliancewellness**. Las actualizaciones de la *Lista de medicamentos* se publican en el sitio web mensualmente.
- También puede llamar a Servicios al Miembro al **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) o a los números que aparecen en la parte inferior de esta página o a los números del pie de página de este documento para consultar la *Lista de medicamentos* actual.

B3. ¿Qué sucede cuando hay un cambio en la *Lista de medicamentos*?

Algunos cambios a la *Lista de medicamentos* se producirán **de inmediato**. Por ejemplo:

- **Sustituciones de ciertas versiones nuevas de medicamentos.** Podemos quitar inmediatamente los medicamentos de la *Lista de medicamentos* si los reemplazamos por ciertas versiones nuevas, pero el costo del nuevo medicamento seguirá siendo de \$0. Cuando agregamos una nueva versión de un medicamento, también podemos decidir mantener el medicamento de marca o el producto biológico original en la lista, pero cambiar sus reglas o límites de cobertura.
 - Es posible que no le informemos de este cambio, pero le enviaremos la información sobre el cambio específico que hagamos en el momento en el que suceda.
 - Podemos hacer estos cambios solo si el medicamento que estamos agregando:
 - es una nueva versión genérica de un medicamento de marca, o

- es una nueva versión biosimilar determinada de productos biológicos originales de la *Lista de medicamentos* (por ejemplo, agregar un biosimilar intercambiable que pueda sustituir a un producto biológico original sin una nueva receta médica).
- Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la **Sección B14**.
- Usted o su proveedor puede solicitar una excepción a estos cambios. Le enviaremos un aviso con los pasos que debe dar para solicitar una excepción. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.
- **Quitar medicamentos inseguros u otros medicamentos que se retiran del mercado.** En ocasiones, se puede encontrar que un medicamento es inseguro o este es retirado del mercado por otro motivo. Si esto sucede, podemos quitarlo de inmediato de nuestra *Lista de medicamentos*. Si usted está tomando el medicamento, le enviaremos un aviso después de que hagamos el cambio. Debe comunicarse con su proveedor o farmacia si tiene preguntas sobre el desecho del medicamento.

Podríamos hacer otros cambios que afecten los medicamentos que toma. Le informaremos con antelación sobre estos cambios a la *Lista de medicamentos*. Estos cambios podrían ocurrir si:

- La Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) proporciona nueva orientación o hay nuevas pautas clínicas sobre un medicamento.
- Quitamos un medicamento de marca de la *Lista de medicamentos* cuando agregamos un medicamento genérico que no es nuevo en el mercado, o
- eliminamos un producto biológico original al agregar un biosimilar, o
- cambiamos las reglas o los límites de cobertura para el medicamento de marca.

Cuando se produzcan estos cambios:

- le informaremos al menos 30 días antes de que hagamos el cambio a la *Lista de Medicamentos*, o
- le informaremos y le daremos un suministro del medicamento para 30 días después de que pida un resurtido.

Esto le dará tiempo para hablar con su médico u otro profesional que le receta el medicamento. Este puede ayudarle a decidir:

- si hay un medicamento similar en la *Lista de medicamentos* que puede tomar en su lugar, o
- si debe solicitar una excepción a estos cambios. Para obtener más información sobre las excepciones, consulte las preguntas B10 a B12.

B4. ¿Hay alguna restricción o límite sobre la cobertura de medicamentos o alguna medida que se deba tomar para obtener determinados medicamentos?

Sí, algunos medicamentos tienen reglas de cobertura o límites en la cantidad que puede usted obtener. En algunos casos, usted, su médico u otro profesional que le receta el medicamento deben hacer algo antes de que pueda obtenerlo. Por ejemplo:

- **Autorización previa:** para algunos medicamentos, usted, su médico u otro profesional que le receta el medicamento deben obtener autorización de Alameda Alliance Wellness antes de que pueda surtir su receta médica. La autorización previa es diferente de una remisión. Es posible que Alameda Alliance Wellness no cubra el medicamento si no obtiene autorización previa.
- **Límites de cantidad:** a veces, Alameda Alliance Wellness limita la cantidad de un medicamento que puede usted obtener.
- **Terapia escalonada:** a veces, Alameda Alliance Wellness requiere que usted haga una terapia escalonada. Esto significa que tendrá que probar medicamentos en un cierto orden para su afección médica. Es posible que tenga que probar un medicamento antes de que cubramos otro. Si el profesional que le receta el medicamento considera que el primero no le funciona, entonces cubriremos el segundo.

Puede averiguar si su medicamento tiene algún requisito o límite adicional consultando las tablas de la **Sección C1**. También puede obtener más información visitando nuestro sitio web en www.alamedaalliance.org/alliancewellness. Publicamos documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le enviemos una copia.

Puede solicitar una excepción a estos límites. Esto le dará tiempo para hablar con su médico u otro profesional que le receta el medicamento. Este puede ayudarle a decidir si hay un medicamento similar en la *Lista de medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

B5. ¿Cómo sabré si el medicamento que quiero tiene límites o si tengo que hacer algo para obtenerlo?

La tabla de la sección titulada "Lista de medicamentos por tipo de medicamento" tiene una columna titulada "Requisitos y límites".

B6. ¿Qué sucede si Alameda Alliance Wellness cambia sus reglas sobre cómo cubre algunos medicamentos (por ejemplo, autorización previa, límites de cantidad o restricciones de terapia escalonada)?

En algunos casos, le diremos con anticipación si agregamos o cambiamos la autorización previa, los límites de cantidad o las restricciones de terapia escalonada sobre un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso anticipado y las situaciones en las que es posible que no podamos decirle con anticipación cuando cambien nuestras reglas sobre medicamentos de la *Lista de medicamentos*.

B7. ¿Cómo puedo encontrar un medicamento en la *Lista de medicamentos*?

Hay dos formas de encontrar un medicamento:

- puede buscar alfabéticamente, o
- puede buscar por tipo de medicamento.

Para buscar **alfabéticamente**, busque su medicamento en la sección Índice de medicamentos cubiertos. Puede encontrarlo buscando el nombre del medicamento correspondiente.

Para buscar **por tipo de medicamento**, busque la **Sección C1** titulada "Lista de medicamentos por tipo de medicamento". Los medicamentos de esta sección están agrupados en categorías por tipo. Por ejemplo, si usted está tomando un medicamento para las migrañas, debe buscar en la categoría "Agentes contra la migraña – tratamiento de las migrañas". Ahí es donde encontrará medicamentos que tratan las migrañas.

B8. ¿Qué pasa si el medicamento que quiero tomar no está en la *Lista de medicamentos*?

Si no encuentra su medicamento en la *Lista de medicamentos*, llame a Servicios al Miembro al **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) o a los números que aparecen en la parte inferior de esta página o a los números del pie de página de este documento y pregunte al respecto. Si se entera de que Alameda Alliance Wellness no cubrirá el medicamento, puede hacer una de estas cosas:

- Solicite a Servicios al Miembro una lista de medicamentos como el que desea tomar. Luego muestre la lista a su médico u otro profesional que le receta el medicamento. Este puede recetarle un medicamento de la *Lista de medicamentos* que sea similar al que usted desea tomar. **O**
- Pídale a Alameda Alliance Wellness que haga una excepción para cubrir su medicamento. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

B9. ¿Qué pasa si soy un miembro nuevo de Alameda Alliance Wellness y no encuentro mi medicamento en la *Lista de medicamentos* o tengo un problema para obtenerlo?

Podemos ayudarle. Es posible que cubramos un suministro temporal para 30 días de su medicamento durante los primeros 90 días que sea miembro de Alameda Alliance Wellness. Esto le dará tiempo para hablar con su médico u otro profesional que le receta el medicamento. Este puede ayudarle a decidir si hay un medicamento similar en la *Lista de medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción.

Si su receta médica es para menos días, permitiremos varios resurtidos para proporcionarle hasta un máximo de 30 días de medicamento.

Cubriremos un suministro de 30 días de su medicamento si:

- está tomando un medicamento que no está en nuestra *Lista de medicamentos*, o

- las reglas de nuestro plan no le permiten obtener la cantidad que ordenó su médico, o
- el medicamento requiere autorización previa de Alameda Alliance Wellness, o
- está tomando un medicamento que es parte de una restricción de terapia escalonada.

Si está tomando un medicamento que Alameda Alliance Wellness no considera que sea un medicamento de la Parte D y el medicamento no está en la *Lista de medicamentos*, y tiene un problema para obtenerlo, es posible que esté cubierto a través de Medi-Cal Rx. Si un medicamento excluido de la Parte D requiere una excepción y usted tiene una emergencia, Medi-Cal Rx permitirá un suministro del medicamento para no menos de 72 horas. Visite el sitio web de Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) para obtener más información. También puede llamar al Centro de Servicios al Miembro de Medi-Cal Rx al 800-977-2273. Lleve su BIC de Medi-Cal cuando surta recetas médicas a través de Medi-Cal Rx.

Si se encuentra en un hogar de ancianos u otro centro de atención médica a largo plazo, y necesita un medicamento que no está en la *Lista de medicamentos* o si no puede obtener fácilmente el medicamento que necesita, podemos ayudarlo. Si ha estado en el plan durante más de 90 días, vive en un centro de atención médica a largo plazo y necesita un suministro de inmediato:

- Cubriremos un suministro para 31 días del medicamento que necesita (a menos que tenga una receta médica para menos días), independientemente de si es o no un miembro nuevo de Alameda Alliance Wellness.
- Esto se suma al suministro temporal durante los primeros 90 días que sea miembro de Alameda Alliance Wellness.

B10. ¿Puedo solicitar una excepción para cubrir mi medicamento?

Sí. Puede pedir a Alameda Alliance Wellness que haga una excepción para cubrir un medicamento que no está en la *Lista de medicamentos*.

También puede solicitarnos que cambiemos las reglas sobre su medicamento.

- Por ejemplo, Alameda Alliance Wellness puede limitar la cantidad de un medicamento que cubriremos. Si su medicamento tiene un límite, puede pedirnos que cambiemos el límite y cubramos más.
- Otros ejemplos: puede pedirnos que eliminemos restricciones de terapia escalonada o requisitos de autorización previa.

B11. ¿Cómo puedo pedir una excepción?

Para pedir una excepción, llame a Servicios al Miembro. Un representante de Servicios al Miembro trabajará con usted y el profesional que le receta el medicamento para ayudarlo a pedir una excepción. También puede consultar el **Capítulo 9, Sección G2** del *Manual para miembros* para obtener más información sobre las excepciones.

B12. ¿Cuánto tiempo se lleva obtener una excepción?

If you have questions, please call Alameda Alliance Wellness at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**), seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

Después de que recibamos una declaración del profesional que le receta el medicamento que respalde su solicitud de excepción, le daremos una decisión en un máximo de 72 horas. Para solicitar una excepción, usted o el profesional que le receta el medicamento debe enviar a Alameda Alliance Wellness un formulario de Solicitud de excepción de cobertura completado, que puede encontrar en nuestro sitio web o llamando a Servicios al Miembro al **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**). El profesional que le receta el medicamento debe presentar una declaración de respaldo al patrocinador del plan que documente la solicitud.

Números de teléfono para solicitudes de excepción	
Línea telefónica para profesionales que recetan medicamentos	1.833.793.3767
Solicitud por fax estándar de profesionales que recetan medicamentos	1.855.508.1714
Solicitud por fax urgente de profesionales que recetan medicamentos	1.855.806.6237

Si usted o el profesional que le receta el medicamento cree que su salud puede verse perjudicada si tiene que esperar 72 horas para recibir una decisión, puede solicitar una excepción expedita. Esta es una decisión más rápida. Si su profesional que le receta el medicamento respalda su solicitud, le daremos una decisión dentro de las 24 horas después de recibir su declaración de respaldo.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos están compuestos de los mismos ingredientes activos que los medicamentos de marca. Por lo general, cuestan menos que el medicamento de marca y generalmente funcionan igual de bien. Generalmente no tienen nombres conocidos. Los medicamentos genéricos están aprobados por la Administración de Alimentos y Medicamentos (FDA). Hay medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden sustituir a los medicamentos de marca en la farmacia sin necesidad de una nueva receta médica, dependiendo de las leyes estatales.

Alameda Alliance Wellness cubre tanto medicamentos de marca como medicamentos genéricos.

B14. ¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

Cuando nos referimos a medicamentos, esto podría referirse a un medicamento o a un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen formas llamadas biosimilares. Generalmente, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Hay alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden sustituir al producto biológico original en la farmacia sin necesidad de una nueva receta médica, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

Para obtener más información sobre los tipos de medicamentos, consulte el **Capítulo 5** del *Manual para miembros*.

B15. ¿Qué son los medicamentos OTC?

OTC significa "de venta libre". Algunos medicamentos de venta libre (OTC) y ciertas vitaminas pueden estar cubiertos por Medi-Cal Rx. Visite el sitio web de Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov) para obtener más información. También puede llamar al Centro de Servicios al Miembro de Medi-Cal Rx al 800-977-2273. Lleve su tarjeta de identificación de beneficios (Benefits Identification Card, BIC) de Medi-Cal cuando surta recetas médicas a través de Medi-Cal Rx.

B16. ¿Alameda Alliance Wellness cubre productos OTC que no son medicamentos?

Vea en el Capítulo 4 del Manual para miembros más información sobre los productos OTC que cubre Alameda Alliance Wellness.

B17. ¿Alameda Alliance Wellness cubre suministros de recetas médicas a largo plazo?

- **Programas de pedido por correo.** Ofrecemos un programa de pedido por correo que le permite recibir un suministro hasta para 90 días de sus medicamentos que se envían directamente a su hogar. Un suministro para 90 días tiene el mismo copago que un suministro para un mes.
- **Programas de farmacias minoristas de 90 días.** Algunas farmacias minoristas también pueden ofrecer un suministro hasta para 90 días de medicamentos cubiertos. Un suministro para 90 días tiene el mismo copago que un suministro para un mes.

B18. ¿Puedo pedir que mi farmacia local entregue mis medicamentos en mi domicilio?

Es posible que su farmacia local pueda entregarle sus medicamentos en su domicilio. Puede llamar a su farmacia para averiguar si ofrece entrega a domicilio.

If you have questions, please call Alameda Alliance Wellness at **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**), seven (7) days a week, 8 am – 8 pm. The call is free. **For more information**, visit www.alamedaalliance.org/alliancewellness.

Apelaciones de la Parte D

- Una apelación es una manera formal de pedirnos que revisemos una decisión que tomamos sobre su cobertura y que la cambiemos si cree que cometimos un error.
- Por ejemplo, podríamos decidir que un medicamento que usted desea no está cubierto o ya no está cubierto por Medicare o Medi-Cal.
- Si usted o el profesional que le receta el medicamento no está de acuerdo con nuestra decisión, pueden apelar. Si tiene alguna pregunta, llame a Servicios al Miembro al **1.888.88A.DSNP (1.888.882.3767)** (TTY: **1.800.735.2929**) o a los números que aparecen en la parte inferior de esta página o a los números del pie de página de este documento.

C1. Lista de medicamentos por tipo de medicamento

Los medicamentos de esta sección están agrupados en categorías por tipo. Por ejemplo, si usted tiene una afección cardíaca, debe buscar en la categoría "Agentes cardiovasculares". Ahí es donde encontrará medicamentos que tratan las afecciones cardíacas.

Los siguientes son los significados de los códigos que se usan en la columna "Requisitos/límites":

B/D = Es posible que el medicamento esté cubierto por el beneficio de la Parte A o la Parte B de Medicare.

MME = (Miligram Morphine Equivalent) equivalente de miligramos de morfina.

PA = (Prior Authorization) autorización previa: debe tener autorización del plan antes de poder obtener este medicamento.

QL = (Quantity Limit) límite de cantidad.

ST = (Step Therapy) terapia escalonada: debe probar otro medicamento antes de poder obtener este.

La primera columna de la tabla indica el nombre del medicamento. Los medicamentos genéricos se enumeran en cursiva minúscula (por ejemplo, *cefadroxilo, cápsula oral de 500 mg*) y los medicamentos de marca aparecen en mayúsculas (por ejemplo, PARCHE EXTERNO ZTLIDO 1.8 %). La información de la columna "Requisitos/límites" le indica si Alameda Alliance Wellness tiene alguna regla para cubrir su medicamento.
