Skilled Nursing Facility Workforce and Quality Incentive Program Webinar **YOU'RE INVITED!**

WHAT

The Alliance is pleased to offer two (2) webinars on the Skilled Nursing Facility Workforce and Quality Incentive Program (SNF WQIP). SNF WQIP is a directed payment program where Medi-Cal Managed Care Plans (MCPs), like the Alliance, make payments to eligible providers.

In accordance with **All Plan Letter (APL) 25-002: Skilled Nursing Facility Workforce Quality Incentive Program**, the Alliance is hosting a series of webinars to support eligible providers in learning more about the program and to offer a forum for questions and discussion. The Alliance will also provide updates on billing and other important issues.

WHERE

Virtual training only – Please join through Microsoft Teams. Invites will be sent to all who register prior to the meeting dates.

TOPICS OF DISCUSSION

We encourage providers to attend both webinars as there may be new information presented in the second webinar as more information is received from the state about the SNF WQIP.
