

Coming Soon: State Required Diversity, Equity & Inclusion (DEI) Training for Providers

Alameda Alliance for Health (Alliance) is dedicated to helping our providers meet the diverse needs of our members and improving health outcomes. We have an important announcement to share with you.

The Alliance has developed a Diversity, Equity, and Inclusion (DEI) Training Program for providers in accordance with the California Department of Healthcare Services (DHCS) All Plan Letter 24-016 titled Diversity, Equity, and Inclusion Training Program Requirements (previously APL 23-025). The DEI training will be evaluated annually and offered to our provider network each year.

This year's training is scheduled to begin in Summer 2025 and will include three (3) e-courses with course-specific exercises, reflection, and assessment questions. The duration of each course is approximately 25 minutes long and provides essential information about each topic.

The three (3) e-course DEI training topics are:

- Diversity, Equity, Inclusion and Belonging (DEIB)
- Health Equity
- Cultural Competency and Sensitivity

We will send a separate invitation with details on accessing the training deadlines for completion.

Thank you for your attention and continued partnership in providing high quality care to our members and community.
