

Important Announcement: New Procedure Code Search Tool

At Alameda Alliance for Health (Alliance), we value our dedicated provider partner community. We have an important announcement to share with you.

We are excited to announce a **new procedure code search tool** available on the Alliance website. The tool does not require a login and allows providers to input a procedure code (CPT or HCPC) to determine if a prior authorization may be required for Alliance members to receive certain services.

Instructions:

1. Visit the Alliance website at www.alamedaalliance.org/providers/authorizations and **click the hyperlink** for the Procedure Code Search tool.
2. Select the appropriate **Line of Business** of your patient from the drop-down menu.
3. Enter a valid **Procedure Code/Description** and click **Search**.

A screenshot of the "Procedure Code Lookup Form" on the Alliance website. The form has a dark grey header with the title "Procedure Code Lookup Form". Below the header, there are two input fields. The first is labeled "Line of Business: *" and has a dropdown menu with "MediCal" selected. The second is labeled "Code: *" and has a search icon and the placeholder text "Enter 5 digit code, description". To the right of the second field is a teal "Search" button.

Prior authorization requests may be submitted in the Alliance Provider Portal or by faxing a completed Alliance Prior Authorization Form to **1.855.891.7174**.

For more information on how to submit a prior authorization request, please visit the Alliance website at www.alamedaalliance.org/providers/authorizations/authorization-management.

Thank you for your continued partnership. We appreciate and thank you for the high quality care you provide your patients and our members. Together, we are creating a healthier community for all.
