

## Do You Offer Telehealth Appointments?

---

At Alameda Alliance for Health (Alliance), we value our dedicated provider partner community.

To help us better understand how, or if, our providers are offering alternative modalities to in-person visits, we are asking you to complete our short online survey about telehealth.

We are requesting one completed online survey per provider office. The survey will only take five (5) minutes. Each provider office will receive one (1) \$25 Amazon gift card for taking the time to complete the survey.

**There are many ways to complete the online survey:**

- 1. Complete the survey by clicking [here](#)**
- 2. Log in to the Alliance Provider Portal at [www.alamedaalliance.org](http://www.alamedaalliance.org)**
- 3. We will also be sending the online survey link to your email address of record. (Based on available emails saved in our database).**
- 4. Contact your Provider Services Representative to request that the online survey link be emailed to you directly and to add your email address to our database.**

We appreciate and thank you for the high quality care that you provide to our patients and our community. Together, we are creating a healthier community for all.
