

Important Update: Silicon Valley Medical Imaging Joins Alliance Radiology Network

Alameda Alliance for Health (Alliance) values our dedicated provider partner community. We have an important update we would like to share with you.

Effective Wednesday, September 1, 2021, the Alliance will be contracted with Silicon Valley Medical Imaging for radiology services. Alliance providers can use Silicon Valley Medical Imaging or any other in-network provider for radiology services for eligible Alliance members on or after **Wednesday, September 1, 2021**.

Please remember to submit PA requests directly to the Alliance Utilization Management Department by fax at **1.855.891.7174** or by using our **online provider portal** at **www.alamedaalliance.org**. To find a list of services, including radiology services, that require a PA, please visit our website at **www.alamedaalliance.org/providers/authorizations/**.

You may also call the Alliance Provider Service Department at **1.510.747.4510**.

Thank you for the high-quality care that you provide to your patients and our community.
