NOTICE TO THE PUBLIC

The Board meets regularly on the second Friday of each month in the Alameda Alliance for Health Offices located 1240 S. Loop Road, Alameda, California. Meetings begin at 12:00 noon, unless otherwise noted. Meeting agendas and approved minutes are kept current on the Alameda Alliance for Health's website at www.alamedaalliance.org.

An agenda is provided for each Board of Governors meeting, which list the items submitted for consideration. Prior to the listed agenda items, the Board may hold a study session to receive information or meet with another committee. A study session is open to the public; however, no public testimony is taken and no decisions are made. Following a study session, the regular meeting will

begin at 12:00 noon. At this time, the Board allows oral communications from the public to address the Board on items NOT listed on the agenda. Oral comments to address the Board of Governors are limited to three minutes per person.

Staff Reports are available at the Alameda Alliance for Health Offices located 1240 S. Loop Road for public review and copying. Please call the Clerk of the Board at 510-747-6160 for assistance or any additional information.

Additions and Deletions to the Agenda: Additions to the agenda are limited by California Government Code Section 54954.2 and confined to items that arise after the posting of the Agenda and must be acted upon prior to the next Board meeting. For special meeting agendas, only those items listed on the published agenda may be discussed.

The items on the agenda are arranged in three categories: Consent Calendar: These are relatively minor in nature, do not have any outstanding issues or concerns, and do not require a public hearing. All consent calendar items are considered by the Board as one item and a single vote is taken for their approval, unless an item is pulled from the consent calendar for individual discussion. There is no public discussion of consent calendar items unless requested by the Board of Governors. Public Hearings: This category is for matters that require, by law, a hearing open to public comment because of the particular nature of the request. Public hearings are formally conducted and public input/testimony is requested at a specific time. This is your opportunity to speak on the item(s) that concern you. If, in the future, you wish to challenge in court any of the matters on this agenda for which a public hearing is to be conducted, you may be limited to raising only those issues which you (or someone else) raised orally at the public hearing or in written correspondence received by the Board at or before the hearing. Board Business: Items in this category are general in nature and may require Board action. Public input will be received on each item of Board Business.

Public Input: If you are interested in addressing the Board, please fill out a form provided at the meeting with your full name and address. These forms are submitted to the Clerk of the Board at the front of the room. The Chair of the Board will call your name to speak when your item is considered. When you speak to the Board, state your full name and address for the record.

Supplemental Material Received After The Posting Of The Agenda: Any supplemental writings or documents distributed to a majority of the Board regarding any item on this agenda after the posting of the agenda will be available for public review Alameda Alliance for Health Offices located 1240 S. Loop Road, during normal business hours. In addition, such writings or documents will be made available for public review at the respective public meeting.

Submittal of Information by Members of the Public for Dissemination or Presentation at Public Meetings (Written Materials/handouts): Any member of the public who desires to submit documentation in hard copy form may do so prior to the meeting or at the time he/she addresses the Board of Governors. Please provide 15 copies of the information to be submitted and file with the Clerk of the Board at the time of arrival to the meeting. This information will be disseminated to the Board of Governors at the time testimony is given.
