

## WHO WE ARE

The IHSS+ Alzheimer's Provider Training Program is funded by the California Department of Public Health and in partnership with UCSF, Alameda Alliance for Health, and CLTCEC.

By participating in the IHSS+ Alzheimer's Provider Training Program you are taking a step forward in learning new skills and developing tools that can help enhance the care you provide, achieve better health outcomes for the consumer and define your career pathway.

## OUR GOALS

The goal of this program is to train and integrate IHSS caregivers into care teams, resulting in enhanced care-giving skills for the IHSS caregiver and improved health outcomes for the IHSS consumer.
