

## Important Contracting Update

---

Alameda Alliance for Health (Alliance) values our dedicated provider partner community. We are committed to continuously improving our provider satisfaction and the development of our network. We would like to share this important update with you.

The Alliance Provider Contracting Department has updated its contract agreement templates for network contracted providers. The purpose of the update is to ensure all providers operate under one single contract template that is consistent and reflects current regulatory guidelines and requirements.

The language provisions that are contained in the contract are standard across all provider specialty types. Rates are not negotiable. Each provider will be required to sign their contract signature page and return to the email address noted below or by US mail to the following:

Email address:

[distgrpContractProject@alamedaalliance.org](mailto:distgrpContractProject@alamedaalliance.org)

Or mail to

Physical address:

Alameda Alliance for Health  
1240 So. Loop Rd.  
Alameda, Ca, 94502  
Attn: Alexandria Moore

The Alliance Provider Contracting Department will begin sending out new contract agreements the week of September 14, 2020.

If you have questions once you receive the new contract agreements, you may contact the Alliance Provider Services Department at **1.510.747.4510**.

Thank you for the continued partnership and for providing quality of care to Alameda Alliance for Health members.
